

Honoring the Sebring Florida Ladies of the Elks Presidents

The pictures of the Presidents of the Sebring Elks Florida Ladies of Elks (FLOE) have found a new home; from the Lodge room to a cozy spot downstairs in the Blue Room. The Sebring FLOE organization started in 1965 and ended in 1999. According to Bert Horwitz PDD, whose wife Kathy was President in 1982-1983, the Sebring Elks could not have survived though those years if it wasn't for the hard work provided by these women. They planned the social calendar, decorated the Lodge, and had many fundraisers. Pictured is our very own, Faye Bryant, who was President in 1973-1974. Make sure you show your gratitude by stopping by and reading their names.
