

Sebring at the Elks National Convention 2022

Sebring Elks #1529 Exalted Ruler Jonathan Spiegel and wife Christie attended the 157th Session of the Elks National Convention on 7/3/22 in Atlanta, Ga. The pictures are of PGER Michael Luhr who welcomed all to the convention, which was followed by Lt. General Bill Caldwell, (US Army Retired) who welcomed all to Atlanta. Lt. General Caldwell is the President of the Georgia Military College, and he acknowledged all that the Elks do for the military as well as recognizing its promotion of Americanism. Our Florida State President, Danny Tabor, carried the Florida State Flag during the Parade of Flags. The "sea of orange" shows the Florida members attending.
