Spotlight Grant to Support A Baby Center

HYANNIS, USA - The Hyannis Lodge of Elks #1549 is pleased to announce a \$2,000 Spotlight Grant to support the good works of A Baby Center in Hyannis, MA. The grant will give the Hyannis Elks an opportunity to purchase much needed diapers & wipes for newborns in the mid-Cape area. This grant will also help to purchase thermometers for first time parents as well. Another aspect of the grant is the purchase of board books for young children.

This project was made possible by a grant from the Elks National Foundation, the charitable arm of the Benevolent and Protective Order of Elks. Through its Community Investments Program, the Elks National Foundation awards grants to local Elks Lodges to help the Elks strengthen their communities. This year, the Elks National Foundation will award \$6.5 million in grants to benefit Elks communities.
