EXALTED RULER’S MESSAGE

MY WHAT A MAY!

Greetings All:

Phew... we have jumped in with both feet and are making great progress with some Lodge improvements. The walls are changing colors in some rooms, and the back office is getting more and more efficient!

Volunteers are stepping up for whatever needs to be done (Thank You!). The biggest challenge is deciding what to take on first. The leadership team is tackling a long list of to-dos and prioritizing each item. Needless to say the urgent is getting attention first, but we don’t want to forget to have fun along the way.

Making our membership smile is a top priority, and May promises to deliver. Get out your calendar and put these fun events on it - May 5 is Cinco de Mayo in the Club room... happy hour, music piped in, and snacks to go with it all. - May 6 is a big night! LeeRoy and Ray are cooking!!! Come sample their delicious Mexican Hamburgers from 5-7 pm then listen to Dave Kimball play his music in the Club from 7-10 pm! - May 7 starts with the Kentucky Derby Party at 3 pm, then another wonderful Chinese Buffet will be served in the Dining Room, and then you can stay for the Mother’s Day Dance. - May 8 enjoy Mother’s Day Brunch then dance to Tom Yook. All these fun events...and that is just the first weekend of the month! Keep an eye on the calendar and join us when you can.

Finally, if you haven’t received an email from Lakewood Elks and want to - get us your email address! Send it to bugle@lakewoodelks.com. We will remind you of what’s happening each week. If you are receiving emails from us, pass them along to fellow members and friends. Let’s get some more people in here! See you round the Lodge...

Sincerely, Carrie Mesch, Exalted Ruler

The ceremony was well attended, followed by a warm reception and camaraderie. Thank you to Arvada Lodge PER and current ER Peter Frank and his wife Gina for attending. LAKEWOOD ELKS CHARITY HELPS AN EAGLE SCOUT
Austin Reynolds, a senior at Lakewood High School, presented his Eagle Scout Project to the Board of Directors, asking for a little financial help. His project is an effort to move a WWII Memorial from the old Lakewood High School to the new. The names on the memorial are fallen soldiers who attended Lakewood High School. Our Lodge has supported this project. The new location will have a dedication ceremony on May 28. Details will be provided in the June Bugle, as well as posted on the Lodge bulletin board. All are welcome to attend.

AMERICANISM
By Robert Laster

HUGS AND HANDSHAKES

Each year a great number of Americans receive a timely message by U. S. Mail or E-mail that causes a touch of anxiety, and at the same time, a bit of nostalgic excitement. It is an invitation announcing the date and place for the High School Class Reunion (HSCR). This news prompts the recipient to silently ask, “should I go?” This riddle energizes the mind with renewed thoughts that travel back to a youthful, innocent past with hope and promises unclouded by setbacks. To be sure the letter is read again by the reader to reflect on a simpler time. The sound of “Pomp And Circumstance” is heard again. The “promise of the future” speeches are vividly recalled. During the final week playing hooky for a few hours confirmed the seniors’ rite of passage from adolescence to adulthood. The senior play painted a picture of much success. The treasured yearbook was filled with good wishes from classmates and the phrase, "Let’s keep in touch." The teachers were rated by the difficulty of homework assignments and frequency of pop quizzes. The years were filled with invigorating pep rallies, up-and-down football teams who never gave up, a blue and gold uniformed band who moved with West Point precision, homecoming ceremonies that rivaled Hollywood productions, post-game burgers, cherry cokes, and melted shakes at the drive-in cafe. A senior prom that featured sophisticated tuxes, beautiful gowns and fresh corsages that added a final touch of elegance to the events, the weekly school newspaper describing student activities, and the community center’s Jukebox Friday where students danced to the latest pop hits. Crushes were abundant, some turned into life-long marriages. Deep in the path down memory lane, the reader returns to the reality of the present. Who will be there to participate in the "Remember When" game? One thing is certain, some preparation for the journey is necessary: A preview of the dance video, "How to dazzle on the dance floor (and amaze your friends),” a travel-size bottle of liniment, a review of the school song, and a strong pair of bifocals to match the nametag with the face!

**Club Managers Corner by Cindy**

I would like to thank everyone who came out and enjoyed our Easter party. It was a small turnout but we still did pretty good with raising funds for new bar stools. We still have a ways to go but at least we have a start on it. I have noticed some returning faces. Glad to have you back. It's great to see all the new faces too. Everyone seems to be enjoying themselves. I have a few ideas for some fun events. The first one would be a CAR and BIKE SHOW in August 2016. I would love to hear your thoughts on this. Anyone wanting to enter a car in the show, help out, or just express your thoughts please email me at manager@lakewoodelks.com. We are going to start lunches in the club. The lunch specials will include lunch and a domestic draft beer for one price. If you don't drink beer don't worry you can get a well drink, a domestic bottle beer or a wine for a $1.00 more. As some of you know there have been some changes with offices. But I am always available to set up events or just talk. So please email me and I will get back to you as soon as possible. If you are thinking of renting the hall for a party or event it is a good idea to let me know as early as you can so I can pencil you in. I have had a lot of booking so dates are filling up fast. We have a lot of fun events this month. Check the calendar and come by. Hope to see in the club enjoying some lunch or just enjoying a good conversation with friends.

Veterans Annual Root Beer Float Hamburger or Cheeseburger Sing-a-Long Patio Party

On Sunday, May 22, 2016, from 4:30 to 6pm, our Lakewood Elks Veterans Committee will again be sponsoring the annual veterans’ event with the longest name: The “Veterans Annual Root Beer Float Hamburger or Cheeseburger Sing-a-Long’ Patio Party” here at the Lodge. This has become one of our favorite programs, and we will again be fortunate to have the very talented Tom Yook (who provides music for dancing here every Sunday) lead us in the sing-a-long, featuring the great old favorite songs. The charge for the meal will be $5 a plate. (FREE for all veterans in attendance.) Be sure and make plans to join us for great burgers and a great time together.

If you would like some information about the new VA Hospital that is under construction in Aurora, you can go on-line at www.denvervahospital.com. The website has photos and a video of the progress on the new hospital. The hospital’s original target completion date of 2014 has been pushed back repeatedly. The project is now expected to be completed in 2018. Kiewit-Turner, a team of two construction giants, took on the project in 2010 to replace an aging facility meant to serve veterans in the Denver area. At the time, the project was budgeted at $600 million. Recent estimates put final costs at $1.73 billion. “It’s been a long road filled with accounts of misconduct, gross incompetence, and hefty cost overruns to get to this point and I’m pleased that the completion of the hospital is finally in sight,” said Rep. Mike Coffman (R., Colo.), a member of the House Committee on Veterans Affairs.
