Exalted Ruler’s Message:

March, already? The fraternal year is almost over...how quickly time flies when you’re having fun. Your lodge continues to be a vibrant part of the Benevolent and Protective Order of Elks, and I am confident that going into the new fraternal year we will continue to thrive. If you missed the dinner on Valentine’s Day, you missed a great meal and great entertainment. There was a good crowd present including members from other Lodges across the country – our snowbirds that support us while they’re away from home.

We continue to plan for the CHEA Convention which this Lodge is hosting for the third time. Hosting the convention brings much needed funds to the Lodge for unexpected (or expected) expenses. I will remind or inform you that the use of the funds is governed by a vote of the Lodge floor, not by the individual members who chair and staff the various facets of the Convention. All workers are volunteers who give time and sometimes a little bit of money to participate in helping out. I would be remiss to say that members of other District Lodges also give their time, we are lucky to have these good Elks to step in and supplement our meager workforce. And, while on the subject of Convention – remember it’s here in town, in mid-May, this would be a GREAT time for you all to come over the host hotel and help out, or just listen in on the various seminars. Or, meet and greet with next year’s Theme Child. There is nothing as heartwarming as seeing the Theme Child and to learn what our charity dollars do. Don’t forget our dinner benefitting the Major Project on March 6...Chairman Ben Verde has worked hard to make this happen, please participate.

(con’t on next page)
Exalted Ruler’s Message (con’t):

On the subject of charity dollars, the Elks, due to the donations from our members across the country just donated $150,000.00 to the restoration fund for the USS Arizona at Pearl Harbor. I know that many of you have been to that memorial and felt the swell of American pride while viewing it in place. Our donation “can” is in the lobby, spare a dollar or more to keep this memorial available to future generations.

Lastly, thanks to these good members who have stepped up to be officers next year:

Cris Hepler, Esteemed Loyal Knight;

Tammi Sutton, Esteemed Lecturing Knight;

David Bradford, Secretary;

Sam Hawrelak, Treasurer;

Joe Boniface, Esquire.

We still need someone to fill Esteemed Leading Knight, Chaplain, Inner Guard, Tiler, and Trustee positions. All committee appointments end on April 1st too, so if you want to stay on the committee you have, or if you want to join a committee, now is the time to step forward. I’ve been trying to put committee “jobs” in the bulletin for you to review and choose from. Step forward, you’ll be glad you did!

Fraternally,

Barb Knox, Exalted Ruler

Kudos

To: As always, to all the Officers and committee people who continue to hang in there during difficult times;

.........To: Deanna Jo Hubbard, who, although not an Elk, spearheaded the cooking efforts for our Valentine Dinner and assists with food for one of our monthly meetings that brings needed funds to our social quarters;

.........To: Carol Dabelstein, who assisted in the cooking for the Valentine Dinner and took the initiative to call the Gas Company to have the pilots in the stoves relit. Carol was part of our infamous Rib Crew for many years and immediately knew the problem;

.........To: Cris Hepler, who volunteer bartends and has committed to becoming a chair officer this year;

.........To: Lesley Boniface, who monitors the Club sales and assists wherever she can whenever she can;

.........To: Bert Liebersbach for trying to keep up with routine maintenance on our aging building;

.........To: Anthony Cherry who does annual maintenance work on the air conditioners that still work, and does filter changes and small repairs on them;

(con’t next page)
Kudos (con’t)

……To: Steve Koch for his work on our bulletin and not only updates our Lodge lobby monitor, but prepares the various event flyers;

……To: Our Desert Does, who have donated funds to the Lodge and continue to help by having Sunday events;

There are still too many to mention, the Bulletin would be full; you all know who you are...please give yourself a pat on the back!
Ramblings:

A tale of two Elks Lodges
(with apologies to Charles Dickens):

“It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness...it was the season of light, it was the season of Darkness”

**Lodge #1** was put on probation. Just prior to being put on probation, a lot of the officers quit and are seldom seen in the Lodge or Social Quarters. Committee members moved on. Very few from the membership stepped forward to ask to help either timewise or financially. A few good (wo)men stayed on or volunteered to try to get the Lodge on good footing. They still struggle but have made a commitment to do their best to bring the Lodge into conformity with Grand Lodge Statues and either make the Social Quarters pay its way or make a hard decision to close at least the food operation.

Still on probation, this Lodge tries to continue to make progress.

**Lodge #2** was put on probation by the Grand Lodge and a Special Representative was appointed to oversee the Lodge operations. After the initial shock and disbelief, the officers rallied together and called on the membership for help. In turn, the membership stepped forward to give time and money to the Lodge. The officers, in response to the membership’s cooperation, doubled their efforts and placed the extra funds into a savings account to only be used when an emergency arose. Still on probation, but still making progress, this Lodge continues in a forward motion.

(Author’s Comment: Which do you think Palm Springs is, and what can you do to assist?)
Membership Corner:

In February, we had an attendance of 9 prospective members and reinstatements at our Orientation. By the time you read this, I’m hoping that they will have attended the Initiation and received their membership cards.

There are still several awaiting Orientation and Initiation, we are trying diligently to clean up the backlog.

Committees and Officers:

Knock, Knock – anyone there? We need your help...some committees require very little time, but are VERY important! Some volunteers can help on other than committees by giving time helping serving meals or tending bar (Health Card and LEADS Certificate necessary). Here are some things that are not official committees, but things that will assist the Lodge tremendously:

1. Are you a stay at home for health or other reasons? Recently it became obvious that we need help with Club reservations. We could call forward the reservation line (at least I think we can) to your number and you could take the meal reservations or call back those who have left messages. We would then have just one person taking the reservations and reporting to the Club. This would assist in non-duplication of numbers and a more concise food order.

2. The Exalted Ruler needs an assistant (yes, she does indeed!) to complete the various Committee reports that are required. Most of the information is available from the office...it just needs to be inserted in the various reports and e-mailed. Some are monthly, some are quarterly...that information will be given to you. This, too, can be done from home through electronic communication.

3. Facebook assistance – again from home, insuring that the flyers done by our able Graphics/Tech person are posted to Facebook in a timely manner – Facebook feeds to our Grand Lodge Website, so one post does double duty. Level of difficulty -

Please contact the Secretary or the Exalted Ruler if you have anything you’d like to assist with.
CHARITY Tidbits:

By now, you should have received the letter from Piggy Bank Chairman, Ben Verde regarding the annual Piggy Bank Ball. Ben and his committee have worked hard on this event and we are pleased that one of the California Hawaii Elks Major Project Therapists will be joining us.

All of our therapists are passionate about their work and love to have the chance to let you know about the program. It is seldom disappointing to hear about our kids from someone who has first-hand knowledge. Take a look at the picture on the easel in the lobby, that is Liam, the CHEMPI Theme Child for this year.

You can read his story in the brochure available from Ben or online at the California Hawaii Elks website. Google it for a wealth of information on what we do here in California.

The Theme Child for the upcoming year is presented at the Annual Association Convention which is being held in Rancho Mirage this year. Stop in and meet whoever the new child is for a burst of pride in what we do.
December 16, 2019

To: CHEA Official Family
   California-Hawaii Elks Lodges:

December 7, 2019 has just passed. I wonder how many individuals under 40 years of age thought of the Pearl Harbor tragedy of December 7, 1941. How many remember the lessons learned about what can happen, and of being ever vigilant in defending our Country and freedoms?

Grand Lodge has adopted the Pearl Harbor Restoration Program, through the Elks National Foundation. The restoration work is being administered by the Pacific Historic Parks Organization. At Grand Lodge in St. Louis, Past Grand Exalted Ruler, Michael Luhr, asked the Lodges in our great Order to contribute to this worthy cause. He stressed that the restoration and expansion of the Pearl Harbor exhibits, displays and educational offerings are an important way to continue passing along the memory and lessons learned, to inform and guide future generations.

Elks National Foundation has set up a page on their website with the information and resources about the program and how to send donations. Visit enf.elks.org/ph. ENF is now matching donations through December 31, 2019. This will double the impact of your donations. Please use this information and encourage your Lodges, Veterans Committees, and Charity Committees to participate with fundraising and donations.

The Lodges of CHEA have already donated over $5,500, but we should be able to donate much more to this initiative which ends by July, 2020.

Thank you for your consideration and help with this most worthy project. This is the kind of charitable work for which the Elks are known, extending our legacy.

Best wishes for a wonderful Holiday Season.

Sincerely,

Bradford “Brad” Smith, PDDGER

YARD HELP NEEDED!

Yard help needed

I need someone that can help me maintain the yard and outside area at the lodge. The commitment would be about 4 to 6 hours per month. It is not on a regular schedule but as needed. It is light duty work like cutting grass and weeds, hoeing weeds, racking grass cuttings, and sweeping areas.

If you can help please call me!

Also if anyone has an electric weed eater or leaf blower that works and they do not use anymore please consider donating it to the lodge as they could use it.

Sincerely
Bert Liebersbach

Our new officers were voted in at the February meeting. Jerry Oyler will be President, Doug Mitchell will be Vice President. The Secretary/Treasurer position will be the team of Kay Shuffied and Linda Smith. The Sunshine person will be Caprice Leinonen and Jean Mitchell will continue as booking person. Thank you all for volunteering for these important positions. I have not been able to attend many meetings this year, I feel that someone more active with the Roadrunners should be the newsletter writer. Please contact me if you are interested – it isn’t a hard job – really!

Coming up in March is a rally in Bakersfield from March 26-30. All Roadrunners are invited even though it is a Titanium & Friends outing. Buffy is wagon master and there are 15+ rigs signed up, several of which are Roadrunners. There is still time to contact Buffy to be included. The resort is top notch and the schedule is a full one. Don’t be left out – call Buffy ASAP.

April brings the Oceanside Elks camp out. We have room for more sign ups, contact Buffy or Jean Mitchell to sign up.

Kaye is reporting the Calvin’s prayers have been answered as Doug is now receiving Respite Care from the VA. Please call Trudy to see if she needs to make a doctor appointment or other errand and keep Doug company while she is gone. Pat Savage is back on the gold course. Mike & Kaye continue to travel to Santa Maria to check in with his father who is in hospice. May we wish them good days on their visit. If you have any information to help Wendy Silviera find a placement for April, Bob’s daughter, you would be doing her a great service. Thank you to Kaye who has done a wonderful job keeping in touch with our members.

The meeting in March will be on the 2nd at the Desert hot Springs Lodge. Plan on staying for dinner as the DHS Lodge has a great new chef and a good dinner menu.
