

The Ellette

The Summer months will soon be upon us and I can almost smell all those hamburgers and hot dogs sizzling on the grills. May your Summer season this year be an enjoyable one! On May 3rd, our State President Stuart Rishe and his lovely wife Nancy along with his entourage from upstate New York visited our Lodge for a cocktail party before traveling to the Huntington Lodge for dinner. Our distinguished guests were very impressed with our building and grounds located in a peaceful residential setting. State President Rishe was touring the East District Lodges toward the end of his Statewide visits. Flag Day is Friday, June 14th. We will be conducting our traditional Flag Day Ceremony at the Lodge that evening. The doors will open at 6pm. The Ceremony will commence around 6:30pm in the Ballroom. This year we will be assisted by our Lodge member Kerri Ingwersen and her Girl Scout Troop.

Come over to the Lodge and see this impressive and reverent ceremony honoring our nation's flag. Stop by the Lodge on Friday nights for a drink or two. We are returning to a 6pm opening time instead of 5:30pm. See the calendar for any special events scheduled on a Friday night. Happy Father's Day to all the Dads out there in Elkdom!

Fraternally Yours,
Ken Donato/ ER
