### ER's Message

Hello members,

As the first month comes to a close, I now have two lodge meetings in the books. My focus this year is still member retention with a focus on new members. Sponsors please keep reaching out to our new members with invites to lodge events, activities, happy hours, etc. I can see this is working so far from the new faces and people I'm meeting week to week. So thank you and keep up the great work!

The next order of business that I am working on updating the committee list. The first new committee is going to be chaired by Paul Muzio, He will be heading up the Pavilion Restoration committee. Paul has been out there sanding tables and has one that I have seen so far with the new stain/sealer applied which looks incredible. Paul will be looking for a group of volunteers to step up and give him a hand so please reach out to him if you're interested in helping out.

Another new committee I'm working on is going along the lines of the adopt a highway program, which we already have up and running and chaired by Brian Kirsch. Our adopted section of 9&20 runs from around the bowling alley down to Stewart's, and we usually go out just before Memorial Day. The new committee will take us closer into our community by adopting neighborhoods throughout our town. As we all don't live in the same neighborhood this is a great way for all members to get involved and recruit

your neighbors to help. This is also a great opportunity to introduce them to Elkdom and what it means to our community. I know in my neighborhood the trash trucks come through on Thursday and there is always something blowing around on every dump, I'm sure yours is the same. Jason Terrence will be Chairperson of this committee. We can also tie this into Americanism with presenting flag flying certificates to neighbors that present our flag properly in your neighborhood. The certificates are available on the National Elks website Elks.org.

It's my belief that the committee list is a constant work in progress, and always has room for growth. New ideas come up all the time. Please feel free to contact me via phone, text or email with any suggestion or concerns. Please stay tuned for text and email blasts from the lodge on upcoming events and activities.

Fraternally yours,

Tim Davis

## SECRETARY'S CORNER

Lodge dues have increased this year to \$78.00 due to increased Grand Lodge and State assessments.

- Dues for fiscal year 2023 – 2024 went out in the mail beginning in February, so you should have received notice. If you did not, please make sure we have a current mailing address.
- **Pay Your Dues Now!** If you are delinquent, please pay your dues so you don't become inactive for payment.
- Please remember that only Members current on their dues may enter the building and you may not sign in delinquent members as guests.

There are now two ways to pay your dues:

- **Mail in a check:** Rensselaer Elks Lodge #2073, Attn: Lodge Secretary, 683 Columbia Turnpike East Greenbush, NY 12061. Be sure to include your membership number in the "Memo" portion.
- **Stop In:** Come visit me at the Lodge or see the bartender

We have a critical need for help! Please contact the House Committee Chair or ER to find out ways you may get involved. The Lodge only functions because of the hard work of our Members. It isn't fair to tax the same people for all tasks all year long. They need a break!

- Cook chicken wings or hot dogs
- Chaperone a party
- Clean up after an event
- Fill up care packs for Vets
- Volunteer for a youth activity
- Be a server

## FROM THE SECRETARY'S DESK: APRIL 2023

Wow,  
 What a great time we had to finish off the Lodge year. Our new ER Tim Davis and crew did a fantastic job cooking and serving dinner Dena Peckham was our DJ for the last karaoke night for the year. Our members had a great time expressing their voice talents I hope we can bring her back to host some more great music Jason Rector did a great job keeping our thirsty members drinks filled. And to top off the night, we had a surprise visit from our own Member Ed Kilgallon who was up from Nashville to attend his induction to Columbia High School alumni, Thank you District Deputy Linda for getting Ed to the Lodge. Bob Myron and crew brought out some late night snacks which were greatly appreciated. If this was the way to finish off the year for our now PER Greg, I can surely look forward to another fantastic year under the guidance and leadership of our new ER Tim.

## In Memory Of...David Palladino

In vain we call. He has passed into the light which is beyond the valley of the shadows of death; the places that have known him shall know him no more. His faults we write upon the sands but his virtues upon the tablets of love and memory.

Rest in peace, dear friends. Until we meet again at the hour of 11...

## May holidays salute moms, service members

The winter months are well behind us now. It is time for us to focus on our Elks spring and summer activities.

May has many events that we as Elks are proud to recognize and participate in. Let's start with Mother's Day, which this year falls on Sunday, May 14. Thank you to each Lodge that has a Mother's Day celebration. You may want to consider assembling a committee and starting an event if your Lodge has never had one. Mother's Day is a very special day to spend not only with your mother but your grandmother, your great-grandmother, sister, or your aunt. Take a moment to call your relatives, and send flowers or candy. Make them feel as special as they are. Happy Mother's Day!

During the month of May, we celebrate Armed Forces Day, which will occur on Saturday, May 20. This is a day for all of us to say thank you to all of the men and women in all branches of service in the military. Each of these individuals are the ones who have taken time to defend this great country of ours and protect the liberties we enjoy today. What a better way for our Lodges to recognize Armed Forces Day and show them Elks Care about their service to our country.

May is also when we remember our departed service members on Memorial Day. This year Memorial Day falls on Monday, May 29. There are so many ways that we as Elks can

take the time to reflect on our departed service members. You can place flags at the graves of deceased military veterans. Participate in or host a Memorial Day parade. Please take part in this very important way to honor the deceased veterans in your community. I remember the day when my community opened our first veterans park. It was during a Memorial Day ceremony. There was nothing more heart wrenching to see all the names of the people who served our country with distinction.

Each year, I proudly walk with veterans in our local Memorial Day parade. It makes you proud to be an Elk knowing that you stand behind our pledge, "So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them" and we never will. Take the time to hold some type of ceremony or participate in a community remembrance for the veterans who fought so hard to enjoy the freedoms all of us enjoy today. There is no better way we as Elks can continue "Promoting Elkdom With Enthusiasm" than to remember our veterans.

Helen and I would like to say thank you for all that you do during the month of May, and for the very special events that are so important to us as Elks. God bless all of you. God bless our troops, past and present. And most of all, God bless America.

# Elks National Foundation and Observations

Our Lodge is off to a good start for the Lodge year 23-24. We have received 20 donations already. Led off by our Exalted Ruler Tim Davis and his wife Jenn they have each made two donations each. Also donating to ENF were the following: Earnie and Sheila Kern, Steve and Emily Smith, Barrett and Christine Rowse, Morgan and John Rowse, DDGER Linda Rowse and PDDGER Lawrence E. Rowse, Sharon Malinoski, Kellynn Hickam, ELK Gerald Wendel, Thomas C. Nardacci and Albert Campasano. Also, there is a jar on the bar for those who do not or can not speak the Kings English, where donations are made to help correct their language. A \$273 dollar donation was made for that purpose. Without any Fidelity club members donations, we now have \$643 total which is a very good start to the new Lodge year.

Exalted Ruler Tim encourages all members to make a minimum donation of ten dollars to the Elks National Foundation, which supports our State Major Projects, National Scholarships, Elks Hoop Shoot and Soccer Shoot, the National Veterans programs and the Elks Drug Awareness Program for youth.

And we encourage our newer members, those who were initiated in the past year to get involved with the Elks National Foundation. To do so, the easiest way is to see PDDGER Larry Rowse in the Lodge and give him your donation by either check or cash and he will see that your donation is directed to the national Headquarters of the ENF. You will get credit for your donation.

Or you can send your donation directly to: Elks National Foundation, 2750 N. Lakeview Ave., Chicago Il. 60614-1889. DO NOT SEND CASH!

Or jump on your computer and go to Elks.org and join the Fidelity Club for automatic monthly giving. It is painless and preferred.

If you have any questions about the Elks National Foundation, please see me, (Larry Rowse) or call me at 518-366-1487. I will be happy to assist you in any way and answer any questions you may have.

PLEASE DO YOUR SHARE TO SUPPORT THE "GREAT HEART OF ELKDOM".

Fraternally,

Lawrence E. Rowse, PDDGER  
ENF Chairman

**Life Line Screening goes beyond regular checkups to look inside your arteries for signs of plaque build-up**

**All 4 Screenings for \$149**

- Carotid Artery Disease:** An ultrasound is performed to screen the carotid arteries (a pair of blood vessels in the neck that deliver blood to your brain) for buildup of fatty plaque. This buildup, called atherosclerosis, is one of the leading causes of stroke.
- Peripheral Arterial Disease (PAD):** An Ankle-Brachial Index (ABI) test is performed using blood pressure cuffs on the arms and legs. It is important to screen for PAD because it increases the risk of coronary artery disease, heart attack, or stroke.<sup>1</sup>
- Abdominal Aortic Aneurysm (AAA):** An ultrasound is performed to screen the abdominal aorta for the presence of an enlargement or aneurysm. AAA can lead to a ruptured aortic artery, which is a life-threatening medical emergency.
- Atrial Fibrillation:** A 6-lead electrocardiogram (EKG) is performed by placing sensors on the arms and legs to screen for Atrial Fibrillation. AFib can lead to blood clots, stroke, and heart failure, and other heart-related complications.<sup>2</sup>

No single screening can detect all risk factors for all conditions, such as and including the presence of coronary artery disease.  
<sup>2</sup> <https://www.heart.org/en/health-topics/atrial-fibrillation>  
Screening results are provided to you in about 14 days. We direct all participants with abnormal results to take the report to their physician. Appropriate modification of risk factors (including high blood pressure, smoking, heart disease, diabetes and poor diet) is also necessary for cardiovascular disease prevention. Our screenings cannot detect all forms of stroke risk or cardiovascular disease. All tests are for screening purposes only. You should consult with your personal physician regarding your screening results. Prices does not include any applicable review fees. Insurance: Note: Life Line Screening does not participate in the Medicare program and the cost of our screening services is not covered or reimbursable by Medicare. Life Line Screening does not file insurance claims nor provide referrals to any physician's group or hospital. If you are unable to attend the screening for any reason whatsoever, we will issue a gift card for the full amount to be used by you or anyone you choose, for future screening services.

## Donate old Sneakers (or new Sneakers)

The sneaker donation box is returning. The box will be back in the lounge around the middle of April. As in the past, we are collecting all kinds of sneakers – new, old, tennis, basketball, soccer sneakers with rubber cleats, baseball sneakers with rubber cleats. Wearable sneakers are worth more than unwearable, but, we also collect unwearable sneakers. The only exception is the sneakers must be a matching pair. All proceeds will be donated to the lodge. This program is supported by Got Sneakers. Wearable sneakers are donated to people in need. Unwearable sneakers are recycled to programs that can use the materials used in sneakers.
