

Trav'l'n Elks

Update by Shirley March

By the time you get the this bulletin, the year will be over, good riddance. Hope everyone had a Merry Christmas & Happy New Year. Hope with the vaccine coming we can get back to normal whatever normal is anymore. We still have reservations at Almond Tree in February. Don't know what the year is going bring as far as camping with a group? With the lodge being closed again I don't foresee a January meeting. Please stay healthy and safe, and anyone that has had a sickness get healthy.

We want to send our condolences to Harlan & Sue Wright, Harlans brother passed away.
