Trav’l’n Elks
Update by Shirley March

Hi, hope everyone is hanging in there, and doing some traveling on their own. We will be having a November meeting on the 2nd at 6:00pm out on the back Patio. Everyone please bring a chair and face mask. We will make a decision on the Christmas Party. If all goes well we have our first camp out scheduled for Almond Tree in Chico February 24,25,26,27. We will need a wagon master to volunteer.

On a sad note Ed Kinsey’s mom Milly Kinsey passed away of COVID 19 in the hospital on October 14. We all send our condolences to Ed & Carol.

Hope to see you at the Meeting.

Shirley March

New Member? Want to Connect? Just Volunteer!!

Volunteering to help with Carmichael Elks activities and events, even though we are limited right now, is a great way to meet new people, make new friends, keep active, feel purposeful, learn something new and have fun. The committees and teams are positive and welcoming, and won’t give you more than you can handle.

Call a Committee Chair (see Page 15) to find out what kind of help they need or may need help once we allowed to open more. We hope to see our fellow Elks soon.

Food Drive Update- November 2020

The Carmichael Elks #2103 is very excited about our food bank drive which started a few months ago. We are collecting non-perishable food and canned goods with dates 2021 or longer for our local communities. Our goal is to continue with the collections until Tuesday, October 17, 2020. On Wednesday, October 18 we will start boxing all items collected at 11:00 am. The delivery is scheduled on October 19, to the Sunrise Christian Ministry Food Bank at 11:00 am. They serve the local communities of Carmichael, Citrus Heights, Fair Oaks and Orangevale. The donation drop-off bins are located in the dining room.

Here are some suggestions for nutritious canned and dry goods: canned vegetables and fruit, dried beans, soups, tuna, chicken, rice, pasta, spaghetti sauce, boxed Macaroni and cheese, jelly and peanut butter, cranberry sauce, stove top dressings, turkey gravy.

Thank you for the donations. Your contributions make a difference for our communities.

If you have any questions please contact: Woody Woodard (Chair) 916-202-2514 or Karen Tuttle (Co-Chair) 916-390-5064

Veterans Day Program

November 11th
11 A.M.
Elks Ballroom

Guest Speaker - Master Sergeant Michael Rose
Former U.S. Army Combat Engineer

*Our spacious Ballroom affords social distancing-but masks are requested too
