Hello Members,

We are now in June everyone and as we head into the 3rd month of our new fraternal year, I must take a deep breath and relish what has happened already! I want to personally say "THANK YOU" to all of you for supporting me in being your newest ER. Many of you have noticed that I have been digging into everything related to Lodge No 2117. I have been updating manuals and absorbing information, meeting with members, challenging the past and listening to your wishes for the future. I want you all to know this is all in the best interest of this Lodge.

A few weeks ago, I was able to attend our STATE CHEA Convention in Fresno, CA. I was accompanied by Marilyn Elwood (PER), Linda Vigil (PER), Michael Berg (Trustee) and Sherry White (Secretary) and although there was a lot to take in (workshops and lectures accompanied by presentations), I did walk away with a greater sense of "ownership". There were common themes shared with the other lodges in our district and we are not unique! We all agree that membership retention has its challenges and it's up to each member to keep this as a priority, "Encourage Participation"!

I want to personally say that I am committed to you and this Lodge and together we will make 940 Larkspur a place of interest, a place of gathering and a place of new adventures!

This edition of the ELKSHORN is rather lengthy but I felt it necessary to share all the many great things that we have already accomplished in just 60 days! You all should be proud of yourselves because YOU are the ones that are making this happen, I am just the obstacle remover.

There are a few items that I do want to discuss here.

On Tuesday June 4th our lodge will welcome CDAVP Jim Akers and his wife Irene to our home. I encourage you to attend this event as this will be an informational meeting to include a message from our CHEA President Marty Mellow.

On Friday June 14th we will be hosting a public ceremony in honor of our Flag. This ceremony is intended to educate all of us on the history of the US Flag.

Lastly, we have already initiated 4 members into our order, and we have several more to process. My goal is to increase membership by 20%, **help me** do this by promoting this amazing lodge!!

Genuinely,

John Lozano, Exalted Ruler

John Lozano

A BIG THANK to the 17 members that came out and joined us on May 28th at our 1st ever Lodge 101 interactive learning activity. This was the 2nd installment of our "4th Tuesday" fun activities list. From long term members to newly initiated members...we all gathered to learn more about ELKDOM, Lodge 2117 and all it has to offer. The engaged members discussed topics such as Initiation and its time-line, C.H.E.A, digital pins, Lodge monitors, Americanism, Volunteering, Trustees and how to become one, protocol on visiting other lodges, Kitchen Practices and Safe Serve certificates...those are to just name a few!

Elks 2117

Our lodge has many members who RV on a regular basis so why not share some favorite vacation spots, tips and tricks with proven success, must-have RV camping items. RVing is a great way to travel and explore the outdoors. However, knowing the basics is important to having a stress-free trip. Let's talk about common practices...who knows....you may learn something!

- Did you know that you can find an RV Facility on ELKS.org online or order a hard copy of the Carmichael, California Lodge?
- Relax...RV'ing will become second nature in no time at all once you've learned beginners tips.
- Have you recorded your walk-through on a smartphone?
- What about joining RV groups and listening to podcasts
- Importantly, don't be afraid to ask for help at the campground!

In 1950, CHEA created an organization within it to help children with disabilities. The fund-raising arm of CHEMPI is the Purple Pig. All donations are TAX DEDUCTIBLE!

The organization is called the California-Hawaii Elks Major Project, Inc. This unique program funds 32 paid therapists and preschool vision screeners, hired by CHEMPI, to help disabled children when no other organizations can or will. We are growing and we need your support. The Lodge is looking for volunteer bartenders. You would need to be trained for those times you bartend. Below are a few guidelines that can help you get involved. If you are seriously interested, please contact our Bar Steward Marci Hernandez at (253)-261-4910.

RBS Training/Certification Process

RBS training and certification has been available online since 2021. Each server will need to register individually and create their account. RBS training and certification is a 3 step process.

The first step is Registering with ABC as an alcohol server.

To begin, please visit the [RBS Portal](#) link to complete your server registration. You will need to use the training provider search function to see a list of approved RBS training providers and select one to take training.

You may also watch [Server tutorial](#) on our YouTube channel.

The second step is taking training from an authorized training provider.

The length of time could be between 2-4 hours, and some courses can be at your convenience and the preferred format of your choice (online or in-person). The cost may vary depending on the training provider.

To register for a training course, you will need to go to the training provider's website and follow their instructions for registering for a course. The training provider has up to 24 hours to report you have completed training and grant access to the exam.

The third step is to take our alcohol server certification exam on the RBS Portal.

You will receive an email from ABC/RBS Portal notifying you that your exam is ready. The alcohol server certification exam must be completed within 30 days of the date training was taken.
