Brothers and Sisters,

Wow, a quarter of the lodge year has passed. With July, our summer schedule gets into high gear. To begin, July and August have only one meeting each month. July 11 is the first and we plan for an initiation on that date. Several members are awaiting initiation and PER/Trustee Ed Kurish has volunteered to fill in as Lodge Esquire for that meeting. Also in July, I will be attending the Grand Lodge Convention in Atlanta, Ga.

July 16th will be the Central NY Elks Riders ENF Ride. This event raises funds for the Elks National Foundation (ENF). If someone approaches you for a donation, please be as generous as possible. We might just be able to "bring the trophy home" at the completion of the ride. All funds collected and turned in by our participating members supports our lodge recommended per capita for ENF.

We will be represented at the Boonville/Oneida County fair this year. Look to see us there! More info in this newsletter.

Schools are closed for the summer and our area youth are out there enjoying the summer break. Please keep an eye out for them.

We still need an Esquire, Loyal Knight and two trustees. These are all important positions but do not take much time. Consider being more involved in your lodge. Contact John Doiron, ER/PER for more information.
