Remember our Children and Veterans

The Livonia Elks Lodge is a place where neighbors come together, families share meals, and children grow up. Elks members invest in their communities by supporting programs that help children grow up healthy and drug free, by undertaking projects that address unmet local needs and by honoring the service and sacrifice of our veterans.

From Your Exalted Ruler: Karl Swieczkowski

Greetings Members.

The warmer weather is finally here. I know that many of us will be spending the next few months outdoors enjoying the summer months with family and friends. Please check out our upcoming events and try to stop in for a cold one and visit with your fellow members.

We have our July Raffle tickets on sale now so show your support by purchasing a ticket or selling a few tickets to your friends, co-workers and family. Tickets are at the bar.

On June 3rd at 10:00am we are still in need of volunteers to help clean up the outside of the building and take down the old barbeque area. The more volunteers we have the quicker we can get this done. If you would like to help please let myself or any of the officers know.

The annual Livonia Spree is coming up this month and we will once again have a tent where we will be selling food and refreshments. This is one of our major fundraisers so please consider signing up to work a shift. The signup sheets are on the bulletin board at the lodge.

From Your Exalted Ruler

Lastly I want to ask each and every member to consider how you can help your lodge to grow by volunteering for Bingo, cleanup day, hosting an event, signing up a new member, participating in the lodge activities. While we understand not everyone can come to the lodge every week try to support us at least once a month. We can not survive without your participation.

Get involved and find out all the wonderful things we do as Elks!

Karl Swieczkowski, Exalted Ruler
