Greetings Fellow Elks,

I am happy that the warm weather has finally found us, I think we were all sick of the cold, rainy, windy weeks we've had lately! We are well on our way in our Elk year and there is a lot going on so make sure you check your calendars (more on that in a minute). Before I speak about the calendar, I want to remind everyone that we have our State Convention coming up in Wildwood and we will again be marching in the parade. Please remember to bring khaki pants and WHITE sneakers with you. Last year we finished 3rd overall for our marching group and this year, I expect to be even higher in the rankings!! I will be attending the Grand Lodge Convention in Atlanta this year, July 3/6th. I will inform you of everything I learned at both conventions in the meetings that follow. REMINDER: Our meetings are the second Thursday of the month at 7:30, we have lounge specials after the meeting for all those that attend. There are several other activities coming up so make sure you check in or add the new interactive calendar to your phone.

Speaking of the new calendar, it is up and running! You can either follow the link below or scan the QR Code with your phone to see the public version of the calendar. You will be able to see the upcoming events, meetings, ceremonies, etc. This will also be posted to our website and Facebook page. The idea is to have one calendar with everything on it for the whole year. You can also be added to the calendar and download a version to your phone, it is a google calendar that is compatible with the majority of other calendars you may be using. To be added to the calendar please send an email to tklein2626@gmail.com with your name and email address and you will be granted permission to add the calendar to your own. ELK OF THE MONTH

Karen Hagerman

I wanted to show the appreciation I have for Karen and her help setting things up for the parade. It is not an easy job to interpret what the theme is and how it will be judged that year. After several discussions, Karen organized, ordered, crafted and secured our outfits for this parade. I got a sneak peek and am sure that you will all be impressed with her design and idea! Thank you, Karen for taking this off my plate!
