

EXALTED RULER'S MESSAGE

My fellow Elk Members, I want to thank you for this great year. It has been an honor to be your Exalted Ruler this last year. Since we have moved into this building on Tower Ave. we have progressed with our remodeling of the building, along with bringing in new members. I want to thank everyone who helped in all the worked that we have done this past year.

In the upcoming year we are going to continue with the efforts of bringing in new members. I challenge everyone to bring in at least one new member. We will continue working diligently on getting paid events into the lodge. So if you know of anyone that will want to have an event here please contact the office and they will lead you in the right direction of what to do. Amongst those we are planning to have a fun and great year.

Our Officer core is set this year except for a few positions. If anyone is interested in filling a chair position please contact me @ (360) 269-4696 and I'll let you know what positions need to be filled.

We are going to make some changes to the calendar. Burgers will be switched to Friday and we will be starting a Jack of Spades on that night also. In the upcoming two months we will have quite a few events so please pay attention to the calendar.

As your Exalted Ruler, I am here to serve you. If anyone has any suggestions for me, or to help with the lodge in any way, please feel free to contact me or the officers of the lodge. We are all here to help you in whatever way we can and appreciate you being part of BPOE Lodge 2435

Fraternally
