

Sun City Elks #2559

This page is dedicated to our Past Exalted Rulers of Sun City Lodge #2559. We are proud of our PERs in Sun City & wish the very best for them & their families. The PERs mentor and coach the current Officers as they progress through the chairs. They also hold huge picnics throughout the year, and the monies they receive from their fundraisers are used for the various charities supported by the Lodge.
