First, just a big thank you to all our members – I am honored and feel very privileged to have been elected as Exalted Ruler for 2021-2022. I am looking forward to a successful year, regardless of the challenges that may come our way (we aren't quite back to normal from the pandemic). I have three goals this year:

Increase Membership Participation – I want to make sure that we are creating opportunities that you, our members, want to be involved in – whether it be our social activities and providing a variety that creates social interaction in different ways, or in charitable opportunities that you want to participate either in person or by financial support to support our community, youth and veterans. You have chosen to be a member of the Benevolent and Protective Order of Elks for a reason, and we want to make sure that we are meeting that need. Currently, we have a core group that consistently are involved in almost everything, we want to “share the love”, and engage more of our

membership. we would love to hear from you and hopefully, see you at least a couple times a year at minimum That would be wonderful, and increase our connections to each other in this great Brotherhood.

Increase Visibility in Our Community – we still have folks that don't know what we do, or what happens in that building at the corner of Easley Road and 50th Avenue. We want our neighbors and friends to see the good work we do and get a sense of the great people who are members of our lodge. We started more community focused events this last year, and we want to continue to put the “face of Elkdom” in front of our community – hopefully to encourage others to join us, and so that the community is aware of what we do as Elks in serving our community.

Finally – I want this next year to be FUN! That means having opportunities to laugh, try new things, learn new things, and for our members to know that being a part of our order means that coming to lodge, or an

event, or helping on a charitable project results in some great memories and a lot of laughter. There may be times that are not so fun, but even during those times, precious memories and camaraderie is part of the experience of being a member of our lodge. We have all been quarantined and disconnected for a year – the opportunity to connect and have fun while serving each other and our community is what Brotherhood is about.

We have a lot of great activities coming up this next year. We have a golf tournament in May which will be a good time (quick joke: The best golfers always wear two pairs of pants – just in case they get a hole in one ☐.) I don't know how many of our golfers have to worry about that, but they always have a good time – please reach out and sign up. Because the weather is always kind of iffy – we are going to continue our Tuesday league/tournament events indoors, (I tell people we are the “athletic Lodge”) – we will be offering a night of Corn Hole Golf

GOLF TOURNAMENT HOLE SPONSORS NEEDED

Is golf not your game but want to support the Lodge? Own a business and want to advertise? Would your employer want to sponsor a hole?

Support your Lodge by sponsoring a hole at the Golf Tournament on Saturday, May 22, 2021 at Applewood Golf Course. Hole sponsorship is \$100. For your \$100 a sign with your name (or your company name) will be placed at one of the holes during the tournament and you (or your company) will

be recognized in the June/July newsletter.

If interested contact Gina Frank

SUPPORT THE COLORADO ELKS YOUTH CAMP

The monthly Lodge Dinner and Line Dancing on Saturday, April 17th, will benefit the Colorado Elks Association Youth Camp. Learn a line dance or two and help the Golden Elks support one of the State's Major Projects. Details to come so watch your email or contact the Lodge for more information. Must RSVP for dinner by April 14th which will start at 6pm.

Charity is the Greatest of all Virtues by Wayne Rogers

Support our Foundation by donating online. You could give through the Lodge, but the *only* difference when you donate online is how quickly your gift helps others.

Donate to the Elks National Foundation online at
enf.elks.org/MyLodge

Besides donating online as a onetime or sometime donation; another option is to become a Fidelity member which is when you set up a regular donation every month or every quarter. \$5.00 minimum but no limit on a higher amount. Jeannette and I donate \$10 per month each and we never have to worry about sending in a donation again, it's automatic until we cancel it. Easy to set up and if we have 5% of our membership join ENF Fidelity

Club, ENF will give our Lodge's Gratitude Grant a bonus of \$500. So Please think about this and let me know if you have any difficulty setting it up, I'll be glad to try and help you.

I have requested as Leading night that I be given 4 dinners this year with the net proceeds to go towards some of our Charities. The 1st one is April 17th at 6pm for a King Ranch Chicken casserole dinner with salad and desert for \$12 and their will be line dancing afterwards and Kirk will give lessons to anyone that may need them. This has and is becoming very popular and we are adding it to many of our dinners by popular demand so to speak. Net proceeds from this event will benefit the CEA Youth Camp. It's open to all Elks and their guest but please RSVP by April 14th so we can purchase the right amount of food.

We are still practicing safe Covid-19 protocols like spraying all the tables and chairs with a sanitizing sprayer, requiring the wearing of mask when entering the building and when walking around. Not required if seated at your table. We set the tables at a safe distance and depending on size of table can have 6-8 people per table. We ask that tables not be moved or extra chairs be moved to them. Maybe this will give you a chance to get to know someone you haven't met before.

CEA Youth Camp

ER's Message Continued from page 1

(something new we are trying – no, we've never played it before – so it will be a chuckle – maybe a warm up for some that will be in the golf tournament?); we know that axe throwing is a new hot activities for some of the younger folks – so , many of us aren't younger folks (quote from Cardinal Spellman: “you've heard of three ages of man: youth, middle age, and ‘you're looking wonderful!’”), so we will be doing hatchet throws with velcro rather than an actual axe (less repairs to the walls). We are also, as athletic as we are, starting Wii Bowling (no shoes or bowling balls required) at the lodge later in April – again, lots of fun. Come down for drink and join the fun. End of May, we are going to have our horseshoe pits ready for horseshoe tournament – maybe that takes more skill than those listed earlier. So, we hope to see you there.

Youth week is the first week of May to recognize our youth activities winners – Hoop Shoot, scholarship recipients, and others. We also have 1st Responder Breakfasts to recognize our first responders. And many other events – check the calendar out.

If you have other ideas, please let me know. If you'd like to help out on a committee – we would love the help, so let me know. Watch out events emails to keep up with everything going on at YOUR LODGE, we hope there will be something that you want to be involved with, donate time or money for, and by being involved, know that you are making a difference in the lives of our community and in the lives of your fellow members. I hope to see you soon, and please stay healthy and safe!

Life of early PGER remains a mystery

By Mike Chamernik

Publications Coordinator

The Memorial Room for Past Grand Exalted Rulers in the Elks National Memorial and Headquarters is adorned with the portraits of the Past Grand Exalted Rulers. It is a way to keep each man's legacy alive. Every PGER is there—except one.

James W. Powell, who served in 1874 as the fourth Exalted Grand Ruler (as it was known then), does not have a photograph on the wall. His picture frame in the Memorial Room is sans imagery, with a note saying that he was described as “a tall, slim man, with a thin face and wore a black moustache.” The note also says that, according to a distant relative of his, Powell had never been in a photograph in his life.

It's not just that Powell was camera shy. He was altogether cryptic.

Powell, a prominent businessman in Philadelphia, ended his career with the Elks soon after retiring from the EGR position. He stopped paying his dues and never reaffiliated with the Order, or gave any updates on his whereabouts. According to *An Account of the Origin and Early History of the BPOE*, which was published in 1897, it was even unclear if he was still alive at that time.

“It is to be regretted,” the authors of the book wrote, “that a brother who in his time manifested so much zeal for the Order, should not have maintained his position, and all that can be said of him is by reference to his past services and his present concealed identity.”

Authors of other books about the Elks history, including *An Authentic History of the BPOE* published in 1910, couldn't find any reliable information about Powell, including his birthday or whether he had a family.

According to *An Authentic History*, after Powell's stint with the Elks, it was rumored that he was a night watchman for museums and theaters in Philadelphia, but actors and stagehands who were asked about Powell said they had never heard of him.

Recognition of Members by Arlene Munyon PER/ More Stuff by Gina Frank PER

Drug Awareness Committee by Wayne Rogers

By William J. Bryan

Assistant National Director

Do you have middle school teachers in your Lodge? Do you host Boy Scouts or Girl Scouts? Are your local schools still holding classes virtually? Do your middle schools have health classes?

If you answered “yes” to one or more of these questions, you might want to go to our website for teens: elksteen-zone.org. The DAP offers free online lesson plans for middle school aged children. We provide teens with facts and engage them in critical thinking about how drugs affect their lives, behaviors, and different parts of the body. In addition to the online lessons, there are articles, videos, trivia games, contests, and a library of resources.

All our lesson plans are standard aligned and meet criteria set by the National Health Education Standards (NHES) and the National Science Education Standards (NSES). Encourage the educators in your Lodge to visit elksteen-zone.org today. When you visit the website you can view a number of lesson plans. The website is easy to navigate, and as with all of the DAP websites, we encourage your feedback. For more information contact your State Association’s Drug Awareness Chairperson.

In other news, the Elks Drug Awareness Program is partnering with the Young Marines. The Young Marines is a nonprofit 501c (3) education and service program for boys and girls, age 8 through completion of high school. Currently there are approximately 8,000 youth and 2,500 adult volunteers in approximately 40 states and the District of Columbia. The Young Marines have focused on an initiative, “Closing the Gate on Drugs,” which promotes healthy living and a drug-free lifestyle.

This initiative aligns very closely with that of the DAP and the Elks are proud to have the Young Marines as a partner. Continue to look for more information in this column as the partnership grows or contact your State Chairperson for more information

ER Gina Frank presented Trustee Vicki Kentch with Officer of the Month for making hundreds of cards and decorating bags with Nina for many organizations this year and especially for Veterans and active duty military. With ER elect Jeannette Rogers.

Picture on right is Jeannette and Randy and Dawn Rehbein who were given thank you cards for helping us get some donations to the Lodge that night and ER Gina presented Dawn with the Elk of the Month award for her support of the Lodge and bring in several members to our Lodge this year.
