

Adopt-A-Veteran Suggested Activities

VA and State Hospital activities should be coordinated with the hospital, VAVS Representative, Voluntary Services, and recreation staff. CLC is the Community Living Center which was formerly known as the Nursing Home Care Unit and may include short term rehab and hospice units. Don't forget the local nursing home veterans. Private nursing homes usually have a Recreation Director to work with. As a rule, VA hospitals have their outings during weekdays so as not to pay over time. Plan your luncheons or other activities during work hours. Many VA's have homeless programs with a domiciliary. Be sure to include them and find out about their special needs.

Make an effort to do something special on our country's patriotic days, such as Memorial Day, Veteran's Day, July 4th, Marine Birthday, Patriot Day, Pearl Harbor Day, Armed Forces Day, POW/MIA Day.

Many veterans are lonely during the holidays, so be sure to include them in your plans for Thanksgiving, Christmas, New Year's Eve, Memorial Day, 4th of July.

If your Lodge has a VAVS Representative, work with him or her to support the local hospital, nursing home, Outpatient Center, USO, or domiciliary. VAVS Representatives meet quarterly with the staff of the hospital and have exact knowledge of the hospital's needs and wants. If your Lodge does not have a VAVS Representative among your Members, promote Veterans Service programs and recruit members to volunteer on a regular basis local facilities.

If funding is a problem, don't forget to apply for grants offered by the Elks National Foundation and the Elks National Veterans Service Commission.

1. Bingo. Ask the hospital if they have all the materials needed. Procure Canteen books ahead of time to be used as prizes. You should have four or more volunteers.
