

## HURRICANE ELSA

### What is the status of Hurricane Elsa?

The Elks National Convention Commission (ENCC) is closely monitoring Hurricane Elsa and its impact on the Bay Area. Storm paths very frequently change as storms approach landing, so we encourage you to follow the National Hurricane Center for frequent updates.

### What is the Commission doing to keep attendees safe?

The ENCC is working hand in hand with Emergency Operations Management at the city and county level. We will abide by any direction and guidance imposed by the local officials. Visit Tampa has a hub with several resources on their website, [VisitTampaBay.com](http://VisitTampaBay.com), where you'll find a banner link at the top of the page.

### Which attractions and restaurants are closed?

Stay connected with Visit Tampa Bay on Twitter ([@visittampabay](https://twitter.com/visittampabay)) where they will share any real-time official statements from the partner attractions and restaurants.
