

Travelin Elks

Submitted by Shirley March

The Travelin Elks went to two locations in November. The first one was Corning, CA, where we have been before and always enjoyed. The area, once noted for olive and olive oil production has interesting history and sites to see. The Norlies and Ed Kinsey were our hosts and put on their usual fun time with lots of good food and games. Which was a good thing because it rained heavily for 2 of our 4 days! One of my favorite activities was making cloth pumpkin decorations and decorating cookies for the holidays. Fun and functional for this time of year. We had a delicious pot luck breakfast. We also played holy Moley a game with ping pong balls and cups winners were Paul March and Greg Jensen. Sharon Jensen and Rick Reed were our winners of ladder ball. Ed Kinsey gave a tutorial on Texas Hold'em we played with chips and big winner was Bob Yarrigle, everyone had a good time. Ed also played his guitar and sang. We had two new perspective members Spencer Jones and Trish Travis.

Also in November we went to the Paradise, CA Elks Club hosted by Shirley March and friends. This club was totally destroyed by the Paradise Fire in 2018, and rebuilt a few years later. The new club is nicely done with an excellent kitchen, bar and several entertainment room. We took advantage of the kitchen by eating there each night and also enjoyed the beautiful surroundings.

The Travelin Elks Christmas Party will be held December 5th at Lakeview Village Clubhouse, 6211 Summerset Ln., Citrus Heights. Please contact Shirley March at 530-545-9628 to be on the list of attending, last day to contact me is November 28th.

Our next meeting will be January 5th at 6:30pm at the Elks Club.
