

2026 Syl A. Dente
Dick Carroll
Fisher House Foundation
Golf Tournament

The Westbrook Elks Lodge #1784 is proud to host the 2026 Syl A. Dente Dick Carroll Fisher House Foundation Golf Tournament on Monday, August 24, 2026, at Great Neck Country Club in Waterford, Connecticut. This annual four-person scramble tournament benefits the Fisher House Foundation, an organization that provides free lodging and support to military members, veterans, and their families while loved ones receive medical care at military and VA medical centers.

Participants will enjoy a full day of golf, shotgun start, lunch, dinner, gifts, prizes, contests, raffles, and special awards. The event also features hole-in-one opportunities, closest-to-the-pin contests, longest drive competitions, and a 50/50 raffle.

Businesses and individuals are invited to support this meaningful cause through a variety of sponsorship opportunities, including Platinum, Gold, Silver, Bronze, hole, cart, food, scorecard, and table sponsorships. Sponsors will receive recognition throughout the event and help make a direct impact on the lives of veterans and military families facing medical challenges.

Whether you register a foursome, become a sponsor, donate a raffle prize, or simply spread the word, your participation helps provide comfort and support to those who have served our country. ***Registration and sponsorship commitments are due by August 1, 2026.*** Join us for a memorable day of golf, camaraderie, and giving back to those who have sacrificed so much.

 How the Sponsor shall appear.

**This Tournament will be supporting
 The Fisher House Foundation
 West Haven, Ct.**

Because members of the military and their families are stationed worldwide and must often travel great distances for specialized medical care, Fisher House Foundation donates "comfort homes," built on the grounds or near major military and VA medical centers. These homes enable family members to be close to a loved one at the most stressful times - during the hospitalization for an unexpected illness, disease, or injury. The Fisher House Foundation also provides transportation for families of injured Soldiers who cannot afford it to be near their loved ones.
