**DREANA TAYLOR**

Dreana Taylor is our Volunteer of the Month. And what a volunteer she is. Every Brunch Sunday she is cooking up delicious fresh Belgium Waffles with hot syrup, strawberries and whipped cream. Her willingness to provide her services is one of the things that makes Brunch extra special. A big thanks to Dreana.

**VEE DIAZ**

If you want to drive him crazy tell him the music's too loud. A big shout out to the man who arranges the entertainment, Vee Diaz. You can also find him volunteering behind the bar, at Bingo, helping at Sunday Brunch and Police Breakfast along with all sorts of other things he attends to. Vee has been an active force in helping make the Lodge's events a success.
