When you arrive; you'll receive a Racing Program with a plastic pocket containing \$2,000 in script money. You'll be able to use your script money to bet on any combination of six horses in six heats. Additional script money will be available for purchase for \$20 in real money for \$2,000 in script money. Since everything is script money; it means you can bet tens of thousands of dollars and never lose a cent.

A grid pattern will be taped off on the lodge floor. Volunteers will stand in this grid pattern. These volunteer horses will progress along the grid through a process of rolling large foam rubber dice to determine which horse will cross the finish line first.

Of course, you won't be able to win any actual money but you can win bragging rights! We'll even give prizes and winners certificates to every winning horse and the top three winners of script money to cement those bragging rights. Since proceeds support Elks' charities; everyone will end the evening a winner.

## Dinner

Dinner consisting of a Caesar salad, bread, and chicken pasta will be served from 6:00 – 7:00 pm. Gluten-free pasta will be available if requested when you make your reservation. Then an all-you-can-eat dessert bar with coffee will be set out during an intermission between the fifth and sixth heats.
