HENDERSON ELKS LODGE #206

MESSAGE FROM OUR EXALTED RULER

Greetings Fellow Elks,

I hope everyone had a great July and enjoyed your 250th 4th of July parties and fireworks. I would like to thank those that made possible so many successful events last month; especially **Chad and Stacie Lacer**, and the members that chaired and participated in these activities (they have more fun and music planned). I want to thank all the Elk members who attended and participated in a very successful SongFest held at the lodge. We had a great turnout for **James Beasley's Bar-B-Q** night. I believe he's already planning another food event for August so please see the calendar. The Queen of Hearts still eludes me but we did have a big winner. So, we have started a new Queen game and it's already at over 10k. Will you be the next lucky winner??

Fran and I attended the Elks National Convention in Chicago on July 5th-8th. The weather cooperated and we did a lot of walking and sightseeing (and Chicago eating). We got the chance to tour the Elks National Memorial for its 100th anniversary. It is amazing and if you get to Chicago, you should go see how grandeur it really is. The new Grand Lodge Exalted Ruler **Timothy F. Jaeger** was installed. My understanding is that he will be attending the August 7th-8th Kentucky State Convention that I and the Leading Knight, Secretary and BOD Chair will attend. Make sure to keep track of all our planned lodge events in the Lodge August Calendar. Your Lodge Officers have been working very hard to make sure the Lodge is a safe and enjoyable place for all our members. If you know of a charitable community event the lodge can participate in let us know. **WE ARE THE ELKS.**

Our bartenders ask that you please drink responsibly and follow all Lodge Rules concerning language and respect for your fellow members. We have hired several new bartenders. Make sure you introduce yourselves and say hello. I would also like to ask you for your help volunteering for several empty committee chairs and members. All committees are posted in the Lodge. Please let me or the Secretary know if you would be able to help fill any of these important committees.

Remember there will be several great events at the Lodge that you will enjoy. Please look at your calendar for them and join us at the Lodge. We have the "Best Little Lodge in Kentucky" so please support and enjoy it. In closing, again thank you for all you do in support of Henderson BPOE #206 and remember: ***"Our Members are the foundation of our lodge... And our Volunteers are the cornerstone of the foundation."***

If you have any questions, please feel free to contact me at 618-972-2223 or Ramjet74@aol.com

Your ER,
Sandy Holland
