

Pocatello Elks Express

Letter from Exalted Ruler

Hello Fellow Elks!

National Convention in Chicago this year was awesome! Tracie and I had the opportunity to sit in several training sessions. We were able to learn more about the Elks Hoop Shoot, Elks Magazine, CIP grants, and the use of AI in our lodge. If you want to know more about these programs, please come ask me and I will be willing to share the information. Also, if you are interested in joining or forming a committee in any of these areas (or any other area), please let Neil or I know. The hospitality rooms in the evenings were a great time to meet other Elks and listen to their problems and successes at their Lodges. We got a lot of fun ideas to help our Lodge grow and give more to our community. Tracie and I also visited Wrigley Field to watch the Cubs play and Comiskey Park to watch the White Sox play. #gocubs

Tim Jaeger is our new Grand Exalted Ruler(GER). We had the opportunity to meet him in Chicago, and he seemed very personable and eager to move the Elks Organization forward. **"Ready Elks - Let's Go!"** is his theme for the year. Since its founding, the B.P.O.E. has answered the call when their communities needed it most, and he is asking us as Elks to continue to answer that call.

August 1st, we have the Annual East District BBQ at the Veteran's Home in Pocatello. This is a great time to show up and visit with a veteran. Sometimes all they want is to share their story and have someone listen. We will also be cooking and serving them dinner. It would be great to have a lot of members there to show support from the Pocatello Lodge.

The month of August will not be slowing down. We still have plenty of activities going on. We have Queen of Hearts, Birthday Trivia, 2 Taco Tuesdays, Bingo and First Responders BBQs on Wednesday night starting the 12th.

As many of you know, Hannah, our cook was in a bad bicycle accident and will be on leave for at least 6 months. If you know of anybody that needs a part-time job, send them in to fill out an application.

As our summer comes to an end, please stay safe and cool.

Finally, I still want to hear from all of you. I will ask this every month. Let me know where you see our Lodge headed in the future. I can't do this without all of you, so let me know what you think. Together we thrive!

Fraternally Yours,

Scott Roberts
