Activities Committee

Sunday, June 14th was the annual flag day ceremony. The officers presented the meaning of the flag ceremony with the Sioux City Municipal Band at the Grandview Bandshell. First time chairperson Noah Kirchmeier spun cotton candy. Brenda and State President Steve Bradley manned the donation table. Together they raised over \$160 for our local scholarship fund and promoted the scholarship program.

We also supported the D and G grilling event Saturday the 13th. Thank you to leading knight Missi Roupe for staying late Friday to help with crew with their set-up and smokers.

The Friday before Father's Day we celebrated the men in our club with a free drink ticket at our Friday night meal.

From the Exalted Ruler: Jake Kirchmeier

The summer has started with a great flurry of Elkdome. Our Sioux City Lodge initiated 7 new members over the past two months. You, as great members, are our best recruitment tool. Please keep up the good work. We are holding a membership meet and greet on Friday, July 10. Please bring down prospective members and friends to have a good meal and learn more about our facilities and charitable works. We will be cooking up French dip sandwiches, fries and dessert for \$10. On the recruitment night the club will be open to the public from 5-10pm.

I am off to Chicago to represent Sioux City at the Grand Lodge Convention July 5-8. I hope to bring back more new ideas for both membership engagement and growth.

I am totally excited for the coming golf simulator. We will be announcing kick-off events in the next month as we are preparing for installation. The committee has done a great job with this major project. I encourage everyone to bring their golf buddy down to the membership drive. See the last page for the 3 donations from Stag and 1 grant given to Sioux City Fire Department

See you at the lodge.
