- ♦ Yard Sale
- ♦ Relay for Life Fund-raiser
- ♦ Steak Night
- ♦ Halloween

Dear Members,

As we wrap up August, I want to give a big shout-out and thank you to everyone who came out for Old Timers' Night hosted by our PER's. It was a highly successful evening, and I truly appreciate everyone who attended, received their pins, volunteered, and helped make the event possible.

A very special congratulations goes to Charles Hamblin, who was honored with his 65-year pin. What an incredible milestone and a wonderful example of the dedication and commitment our members have given to our lodge over the years.

Looking ahead, September is shaping up to be another busy month. We will be holding a 9/11 Ceremony. Food will be provided before the ceremony. In appreciation of those who serve our community, uniformed, on-duty first responders are welcome to attend at no charge. As a reminder, our Wednesday meals will continue on the second, third, and fourth Wednesdays of the month. We will also host a Rib Cook-Off on Saturday, September 26th. The committee is being chaired by Sonny Pineda. Please support Sonny and his committee as they put together what promises to be a great event.

I also want to share an important update regarding our Steak Nights. Beginning in October, Steak Night will move to the first Friday of every month. Our first Friday Steak Night will take place on October 2nd, so please mark your calendars and come enjoy a great steak while supporting your lodge.

I would like to provide an update on our lodge cleanup efforts. We have tried for two months now to close the lodge for a dedicated cleanup day. We adjusted our approach for the second month, but unfortunately, it still has not been as successful as hoped. It has been brought to my attention that members may be more inclined to help if they can enjoy a cold beverage while doing so. Therefore, we will be open for our cleaning day on the first Tuesday in September. Hopefully, this change will encourage more members to come out, lend a hand, enjoy some fellowship, and help get our lodge looking clean, welcoming, and presentable for both ourselves and our guests.

As always, none of this happens without the members who step up and volunteer. Thank you to everyone who continues to give their time, energy, and support to Hanford Lodge #1259.

"Together We Can"

Fraternally,

Scott Key

PER CORNER

The PER Association hosted its annual Old Timers Pin Night in August, and what a wonderful evening it was! We had a record turnout of more than 70 members and guests in attendance as we celebrated the dedication and longevity of our members.

Several members were recognized and presented with their milestone membership pins. Beginning at five years of membership, members are honored at five-year milestones, with some reaching an incredible 65** years of service and membership in the Elks**.

These milestones represent much more than the number of years someone has belonged to our Lodge. They represent years of fellowship, service, charity, and dedication to Elkindom and our community.

Congratulations to everyone who received a pin this year. Whether celebrating 5 years or 65 years, each milestone is a wonderful accomplishment and something to be proud of.

Thank you to the PER Association for hosting this special tradition and to everyone who attended and helped make this year's Old Timers Pin Night such a memorable and successful evening.

What Does it mean to be an ELK

Being an **Elk** means more than belonging to a lodge. It means choosing to serve your community, support your neighbors, honor your country, and care for one another.

The principles of the Benevolent and Protective Order of Elks are **Charity, Justice, Brotherly Love, and Fidelity**. An Elk strives to put those principles into action—helping veterans, supporting children and families, strengthening the community, and stepping forward when someone needs a hand.

Being an Elk means **showing up**. It means volunteering even when no one is watching, welcoming new members, respecting those who came before us, and working together to leave our lodge and community better than we found them.

Most importantly, being an Elk means understanding that what we accomplish together is far greater than what any one person can accomplish alone.

To be an Elk is to serve, to care, to give, and to belong.

Charity. Justice. Brotherly Love. Fidelity.

Together We Can.
