

Sebring Elks New Members August 2026

The Sebring Elks Lodge #1529 welcomed and initiated thirteen new members during their August 6 lodge meeting. The lodge is continuing to grow as evidenced by the energy and enthusiasm exhibited by these members. Each of them bring talents and ideas to the lodge and we are certain they will exhibit what our lodge is all about. As you see them around the lodge, please extend a warm welcome to each as you get to know them. Thank you to each of the new members for taking the time to see what our lodge does to help those within our community. We know that you will find many opportunities to share your talents in helping our lodge shine within our community with the motto..."Elks Care, Elks Share".
