

Sebring Elks Support the Children's Museum

The Sebring Elks Lodge #1529 is once again supporting the Downtown Children's Museum by donating \$2000 towards the Children's Business Fair Event. The monies were made possible through the Elks National Foundation Gratitude Grant. The event will take place on Sunday, October 4, 2026, in downtown Sebring. The whole block will be closed and there will be many activities going on. The Elks will help judge each small business developed and built by youth in the community. They will be selling their products to those in attendance. Also, Elroy the Elk will be on hand to meet youth and families. Elk members will distribute school supplies and drug awareness goodies for those in attendance. Come on down and help support the Elks and their work within the community. If you have time and would like to help fill bags please contact Diane Morse, Sebring Lodge Grant Chairperson. We have lots to do and will need many hands to get it done!

Also, pictured is Kelly Dressell showing Rhonda Oakley one of the many activities made possible for youth developing their projects. This particular one is an activity on teaching financial literacy in helping children make change.
