Exalted Ruler's Message

Primarily, I want to thank all of you for nominating and voting for me to serve as your Exalted Ruler. It is truly an honor. However, I could not do this without the support of our officers, members, and volunteers. It truly takes a village to maintain our lodge, and I could not do it without

each and every one of you.

By the time this Gazette is published, we will have already held the Installation of Officers and the Inaugural Ball. I hope everyone who attended enjoyed the evening. If you were able to join us for the Installation of Officers, you heard me speak about my theme and goals for the coming year. Our motto this year is "Elkdom to Infinity and Beyond," because there is truly nothing we cannot accomplish as Elks when we work together and give back to our community. You will also see on all of the officers' shirts a patch that reads "Be the Difference." This was the motto of Grand Exalted Ruler Bryan Klatt, and it reflects our commitment to making a positive impact in our community. There are so many ways we can do that, and we would love to have all of our members be a part of that difference.

This year we are also bringing back several committees to support our lodge and encourage more member involvement. First, we will be forming a Decorating Committee, which several members have already expressed interest in joining to help beautify our lodge. As part of our Membership Committee, we will also have volunteers who will call and check in with members. Many of our members are unable to attend meetings due to health concerns, personal matters, or other obligations. We want to stay connected and see how we can continue to involve them in lodge activities—even if it is simply through a friendly call or check-in.

If any of these opportunities interest you, please feel free to reach out to me.

I am looking forward to a momentous year and cannot thank our members enough for their time, dedication, and heart for Elkdom.

Danielle Meaney, Exalted Ruler

Welcome members to the new Elk Year, I am honored to be representing this lodge as the Esteemed Lecturing Knight.

A little about me: I have been a member of the Elks for 11 years: past Trustee, past Tiler, and Officer of the Year (2019-2020). I have worked at Adventist Health for 44 years, currently as a Medical Coder. I am married to my husband Kevin (who is also an Elk), and we live in Gresham with our very spoiled doxy Zoey.

This year will be a year of growth for me; public speaking does not come natural or easy for me. I would greatly appreciate your support and encouragement and would welcome any advice you have for me!

I hope to see more members volunteering at the lodge this year. Volunteering is important to me, and I feel we should all give back if we are able to, and volunteering your time is an easy way to do that. Elks Care, Elks Share.

Sandy Feeny, Lecturing Knight

Leading Knight

Can you picture, for a moment, someone on the brink of making one of the hardest decisions of their life? After 15 years as an Elk and being involved in many lodge activities, I am stepping into a new role as your Leading Knight. Over the years I've had the opportunity to watch, learn and take part in a wide variety of events sometimes as part of the team and sometimes in a leadership role. What I've learned is very simple – "Coming together is a beginning, staying together is progress and working together is a success", thank you Henry Ford.

You chose to join the lodge to be a part of a group of people focused on helping our communities. We have an exciting year ahead with a full slate of officers who are committed to working together. Now is a great time for you to join in, get involved and share the fun.

We have quite a few opportunities for you to choose from: Veterans, Elks Youth Eyes Service, Scholarships, Hoop Shoot, Bingo, Youth Activities, Entertainment and more, even mowing the lawn! I would be glad to help you find your place on the team just as someone once helped me find mine. I am thankful for this opportunity to serve and will continue to ask my favorite question – So, what's next?"

Tina Tebbens, Leading Knight 503-481-1923

Loyal Knight

I am excited to continue my journey with everyone here at the lodge but in a slightly different role. Stepping up into the position of Loyal Knight was a natural progression on my path in this life and I feel excited about being here with all of you for the next year.

This year I am going to focus on connecting more with the community outside our lodge while maintaining all of the wonderful relationships I have built within our lodge. I have taken on being the committee chair for our drug awareness program, a.k.a. DAP, and sharing with the community what we do and why we do it as the public relations contact. I am open to any ideas or criticism you may have as my extended family which will always be accepted with grace and love.

The support I get strongly influences me everyday and I hope I can give back a little bit to each and every member in this Lodge. I am dedicated to the success of this Lodge and that takes unity and communication on both sides.

Renee Henning, Loyal Knight

The OSEA State Scholarship

program was completed here at our lodge on Saturday, February 21, 2026. We had an excellent time getting to know the winners for this year. Our winners came from all parts of our state and each and everyone of them are outstanding. Shown are: Owyhee Harguess (Enterprise), Chantrell Lee (Seaside), Yirou Wu (Salem), Rebecca Ngigi (Salem), Tyler Senn (Coquille Valley) and Allen Acevedo (Springfield).

Due to scheduling conflicts, Luong Nguyen (Gateway-Gresham), Stran Bingham (Baker), and Caitlin Olinger (Springfield) were unable to attend. These students have received their awards via the District Chairs.

Our 1st place students, Luong Nguyen and Rebecca Ngigi will be attending the Summer Convention at Seaside where they will speak on Saturday, April 25. Please be there to hear their stories and appreciation. Their applications have moved on to the National level and they will receive additional funding from Elks National Foundation.

Many people participated in this year's program and I have attempted to thank everyone, personally. However, I've learned that, for many of us, individual recognition is less important than the way we support one another through every event held at our lodge.

Tina Tebbens, Past OSEA State Scholarship Chair

LOOKING FOR SOME GOOD, CLEAN FUN? We are looking for a few great people for a very easy, but fun, project. For many, many, many years Mike Durrell and his merry band of Elks have been taking care of our lodge room floor. They have swept and polished every square inch to keep it looking great. The floor has been walked on, danced on, cried on, fallen on and shared excitement for hundreds, possibly thousands of events. We want to keep our floor looking good! The job takes only about 2 hours and is done only about 4 times a year and 3 or 4 people, working together, will get the job done fast! And, the best part is that donuts are supplied for our volunteers! You won't find this kind of opportunity anywhere

else! Please contact me, Tina Tebbens, your brand-new Leading Knight, and I will help you become a part of this sparkling crew!

SECRETARY MESSAGE

Happy Elks New Year! Here we are ready to start another fun filled and exciting new year. I am excited to work with our new ER, Danielle Meaney. She is really dedicated to the Elks and to her position in the Elks. I hope that everyone that can, will step up to help her and make this a more successful lodge. Congratulations to our Ritual Team! They took first in State, and will be traveling on to National competition in Chicago. We will see a lot of opportunities to donate to their travel fund to help take some of the burden off their budgets. Please give often and generously.

It seems like time is really flying as we get closer to a new fiscal year in Elkdom. This month I will also be listing the delinquent members. These members will be deleted from our active rolls before April 1. If you see someone you know please give them a call and invite them back. If you know of someone on the list who is not able to continue in the Elks, please let one of our officers know. Maybe we can help.

Peace is not when everyone agrees. It is when we can respect our disagreement and still play in the sandbox together.

EASTER DRIVE-UP TREATS FOR KIDS

Elk of the Month for April

This lodge member has only been with us for a short time, but since joining she has been a tremendous help to our lodge. She has volunteered many nights in the kitchen, including serving as a guest chef. Tonya and her husband, Edgar, also assisted with the Valentine's dinner and dance by not only

helping provide dinner but also helping decorate the lodge. Their time and effort contributed greatly to the success of the event. Tonya has also joined Elkon Wheels and has volunteered to serve as their "Sunshine Person." In addition, she has offered to help beautify our lodge by taking the lead on decorating, along with a couple of helpers. We are pleased to recognize Tonya Crawford as our April Elk of the Month.

Welcome our new Members
