MESSAGE FROM EXALTED RULER

Greetings Fellow Elks !

October is designated as Elks National Foundation (ENF) Month, a dedicated time for members of the Benevolent and Protective Order of Elks to celebrate, support, and raise awareness for the charitable arm of their organization. For the ENF, the month of October highlights: (1) Celebrating Community Impact – How the ENF helps local lodges build stronger communities; (2) Recognizing Donors – A time to thank past and present contributors who fund the foundation's mission; (3) Promoting Programs – Local lodges use this month to showcase key ENF initiatives, such as youth programs, academic scholarships, and community investment grants; (4) Fundraising – Lodges across the country host special events to generate donations and meet “per-member-giving” goals. We encourage you to consider becoming a sustainable donor, conveniently through the Elks website / ENF.

I am proud to announce that our Lodge has recently been ranked in the top 3 within Florida Division VI, for highest percent membership gain by division. Division VI is the largest division, which is determined by membership size of individual lodges (701+ members). Let's resume this momentum, as we create an exceptional and distinguished lodge, and continue to excel in what Elksdom represents.

Our Queen of Hearts Program has been unprecedented – enduring and increasing for nearly 2 years. We all have experienced the “wild exciting ride” during the last several months. I would like to thank all our Lodge's Members for their endurance during the immense activity on Wednesday evenings. Beginning last month, we look forward to the Queen “reigning” anew!

I am pleased to report that last month, we procured \$1,500 worth of various essential hygiene products for the “Care Bag” charity, assisting our community's vast homeless population. It was the first of our many deliveries/donations to this worthy cause. Care Bag's mission is to ensure that the unhoused, and families in need, have the necessary resources for cleanliness and health, by safely accessing proper hygiene. Care Bag has mobile hygiene units and 4 mobile shower units, which are routinely scheduled at various locations. Proper hygiene is a fundamental right of all human beings, not a privilege! Last month we also delivered several car loads of nutritious food products for Grace Packs, helping to feed school children who have insufficient, or a lack of, meals over the weekends. We, as Elks, are committed to the welfare of our community!

We continue our Lodge's mission to support the numerous charitable endeavors to which we are resolutely dedicated.

Fraternally,
Art Lander, Exalted Ruler

Elk of the Month

OCTOBER

I have chosen **CHERYL HAULER**
For **OCTOBER'S ELK OF THE MONTH.**

Cheryl is a retired Math teacher of 34 years, having taught high school full time while concurrently teaching part time at two universities and a college in Michigan. Retirement was a difficult decision, so she found herself diving into several volunteer roles to fill the continued need to make a difference in the world around her.

She moved to Port St. Lucie in 2023, where she enjoys growing her food forest and continues to volunteer in her spare time. Joining the Elks was a natural fit for Cheryl, but she also volunteers with Immerman Angels, Florida Oceanographic Society, and Save the Chimps. If you've been spared the chimpanzee stories, then you haven't held many conversations with her!

Thank you for all you do for our Lodge!

MEMBERSHIP COMMITTEE REPORT

Hello, Members!

During the month of September, we continued to grow our Lodge by welcoming approximately 12 new members. We are excited to have each of you as part of our Elks family!

To our newest members, we encourage you to stop in, introduce yourself, and meet someone new. The connections you make here may truly change your world. A new friend, mentor, or go-to person could be waiting for you at the Lodge—all you have to do is take that first step.

We understand that walking into an established group can feel intimidating. It can remind us of being back in school or moving to a new community where everyone seems to know one another. But we promise—it will be worth it! Introduce yourself as a new member, pull up a chair, and spend some time getting to know your fellow Elks.

To our longtime members, when you see someone new, please introduce yourself and invite them to sit with you. A simple hello can make someone feel welcome and may be the beginning of a lifelong friendship.

Do you have just one hour to spare? Consider volunteering! We are always looking for new faces and helping hands. Volunteering is one of the best ways to meet people, become involved, and experience everything our Lodge has to offer.

Together, we are doing more than adding names to our membership roll—we are creating friendships, strengthening our Lodge, and building a community where everyone feels welcome.

Veronica Montoya
Membership Committee Chair

HOUSE COMMITTEE REPORT

Greetings to All from our Lodge House Committee!

The Fall season is officially upon us, and we look forward to a reprieve from the sweltering stifling temperatures that we experienced this year. We are ready for the heat to fade into cooler Autumn days. As our travelling members are heading back into town, our Lodge's attendance has been increasing, as are the events and activities we are organizing. The House Committee has been focused on creating a robust calendar, so get ready – we have an exciting calendar coming your way!

I would like to take this opportunity to express our gratitude to everyone who has donated gift baskets for raffles during our major events. Your generosity is sincerely appreciated and has greatly contributed to the success of these events.

We couldn't have asked for a better celebration to wrap up the summer than with our Labor Day BBQ last month – good food, great music, raffles, and so much fun! Our baseball-themed Ladies Luncheon was a "Hit" – Who doesn't enjoy a good tasty hot dog every once in a while? The Korean War Veterans Dinner Dance was a successful fundraiser, and the fabulous Big T kept the energy on the dance floor, as always.

Football season at the Lodge resumed last month. The House is loud and lively – filled with camaraderie, and even wild competition. Watch the games every Sunday at the Lodge with your friends and fellow members, and enjoy the varieties of potluck dishes.

Mark your calendars for our October events:

Reserve your Tuesday evenings for dinner at the Lodge. Our chefs are continually planning their specialties.

"Paranormal 101" on October 3rd – Attendance is limited to 30, so purchase your tickets timely.

"Ding Dong the Queen is Dead" Party on October 6th – Celebrate the end of the Queen's reign.

P.E.R. Fundraiser Dinner Dance on October 10th – Tour of Italy menu.

Game Night is on October 12th – Always a lively competitive evening.

Our Ladies Luncheon is on October 19th – This month's theme is "Halloween". So, of course, start planning this year's costume.

Veterans' Dinner Dance and Silent Auction on October 27th – Music by Big T.

Halloween Dinner Dance on Halloween, October 31st – Best costume contest.

Thank you to all our volunteers and to our members for your continued support, and I look forward to seeing everyone at our "Friendly Lodge" for this month's events!

JoAnne Cassels-Lander
House Committee Chairman

VETERANS AFFAIRS COMMITTEE REPORT

As We Turn the Page toward Even Better Things for Our Veterans

We are suspending our Tuesday night dinners, but that does not mean we are stopping our efforts to support our veterans. In fact, we are researching a new avenue that we believe will allow us to make an even greater difference in the Heroes who have served our country. As we move forward with this new venture, we still need your help!

We will be placing new Veterans Committee donation cans on the tables throughout the lodge. Every time you visit our lodge, please consider dropping your spare change into the can. It may seem like a small contribution, but together, those dollars can go a long way toward helping our veterans.

We are excited to share this new venture with all of you and show you what we can accomplish together. The Elks Lodge and Veterans Committee remain dedicated to honoring, supporting, and helping our veterans.

ONE LAST DINNER — OCTOBER 27TH

Let's make our final Tuesday night dinner one to remember!

Big T's dinner — in the house!

50/50 Fundraiser

New Cork Game — Every Cork Wins!

Silent Auction — Doors Open at 4:00 PM

You do not have to be present to win a silent auction item, so come early, place your bids, and support our veterans!

Seating is limited to 100 guests plus staff, so don't wait. Watch for the flyers and make plans to join us for this special evening.

Let's come together one more time, have some fun, and show our veterans just how much our Elks family cares.

ELKS STRONG. VETERANS STRONG.

John Gravina- Co- Chair

A Word from THE ANONYMOUS ELK

Queen of Hearts Ending and Labor Day BBQ

Now that the Queen of Hearts has been won, it's nice to see civility and a calm returning to Wednesday night again at our Lodge. If you haven't been around on Wednesday night please come back, have a burger and a drink and enjoy Trivia afterwards!

The turn out for the Labor Day barbeque was a little low this year. We all need to try to support the Lodge and the events that are put on by our House Committee. So please in the future bring your family and friends and have a good time with your fellow members at the Lodge, and enjoy good food and a drink.

There were a lot of nice baskets donated, and a big shout out to everyone who brought one in to support the Lodge! Several people won multiple baskets, so remember it could have been YOU if you had come and enjoyed the barbeque!

As a closing note, if you haven't volunteered to help recently at the Lodge, sign up since we can always use some additional help in all areas, and you might make some new friends in the process!

And always remember, I'm watching, Elks Care Elks Share!!!

“What it means to ME to be an ELK!”

By: CHERYL HAULER

Elkdom means so many things to me, the most significant of which is making a difference in our community. I became an Elk because I feel that every person should do the best they can to help their fellow man. And for those members no longer able to pitch in to do so, if the rest of us each give just 1% extra we can collaboratively help to carry their load as well. When I look around the lodge, that's exactly what I see. Some carry the load for those that can't, and together we make significant impact in our community! We are each pieces of an elaborate multi-piece puzzle that blend together to form something beautiful. Collaboratively we have many more skills to offer than any single one of us in isolation. Isn't it great that we can do so much good and still have lots of fun while doing so?

Joining our lodge came with an added unexpected bonus! I expected to make some new friends, but I would never have expected to gain a whole new family! Thank you all for welcoming me into this family!!!
