America250 Parade, Indiana, PA

Despite sweltering temperatures, the Indiana Elks 931 participated in the Downtown Indiana America 250 parade on July 3, 2026. Marking the nation's historic milestone with community spirit.

Members and their families march while proudly displaying our collection of historical American Flags. The Elks also featured the Elks Drug Awareness Program trailer, complete with our mascot "Elroy the Elk", providing candy and educational materials to parade spectators. Thanks to members Chris Adams, Shari Topeka, Connie Mitchel, Dan & Becky Ford, Lea Ann Kunkle, Ned Seelhorst, Dan and Donna Rummell, Megan King, Tom Heacox, Mike and Melissa Travis including a couple up and coming up new Elk members Lloyd and Jen Rummell including their families in the Event. Special recognition to members Bill and Marie Citeroni for providing his truck and to our favorite "Elroy" and bartender Katelyn for braving the heat! Thank you again to all volunteers that came out to support Elks 931.
