

# Glasgow Elks Lodge 1922 NEWSLETTER

October 2016

## What's new at #1922?

Welcome to the Glasgow Elks Lodge #1922 Newsletter!

This is our Lodge's first attempt at a newsletter that I am aware of, and we hope to publish this at least quarterly to start with. Hopefully it will be well received and we can make it a more frequent event as we have more news to report.

A big thank you goes out to our sponsors who have supported this newsletter, they help us cover printing and mailing costs and we couldn't have done this without them. If you are interested in sponsoring our newsletter going forward, please let us know.

You can always keep up to date with our latest Lodge happenings on Elks.org (keyword 1922) or on our Facebook page. On Elks.org our Lodge calendar is posted for viewing. We also try to advertise any special events in the BS Buzz, Courier, or on KLTZ/KLAN, so make sure to keep your eyes and ears open for upcoming events. Or you can call the Lodge at 228-2233 to see what's happening or to book an event.

Welcome to our newsletter and please let us know if you have any thoughts or suggestions.

Sincerely,

~ Zak Peterson, Exalted Ruler

### ***Firing back up***

Stag and Doe Night will be returning starting in October. Every 1st and 3rd Thursday of the month, we will offer a steak dinner on the Lodge side of the building. This is open to paid-up members, spouses and their guests. Price is \$15.00 for a perfectly grilled steak, potato, salad, and toast. Come out and support our Lodge and enjoy a great meal.

## Dues payer dinner funds go where?

In April, we had our yearly dues payer dinner. Paid up members were served a free roast beef dinner catered by Doris Ozark.

This year we added a fund raiser auction to our event to help raise funds for our local lodge. What a great community we live in, thanks to you all, our auction was a huge success! We received great community support in both donations of items to the auction, and very generous bidders. We raised nearly \$15,000!

This money will be used for building improvements, support our local charities and events, and other local projects. These funds were not used for our scholarships. Some people had asked us that question so we just wanted to clear that up.

**CHECK  
PLEASE!**

We still have several members who are delinquent on their 2016 dues. Please drop payments off at the Lodge and Secretary Iva Murch will get them taken care of for you. Or you can mail payments to 309 2nd Ave S, Glasgow, MT 59230.

If you are unsure of your dues status, please contact us and we can get this taken care of for you.

Our Lodge prepays your national and state share of your dues for you in April. If you do not pay your dues, that is money that we don't get back. While the majority of your dues stay local, this does add up the more people who don't pay.

***We've got your Ticket*** — If you are a football fan, the Elks is your place to watch all the action! Both college and NFL. Griz and Bobcat games are shown on Saturdays they play. Also, we have the *NFL Sunday Ticket* television package that has all the NFL games every Sunday. We have several TVs, so there will be multiple games on at once. Come down and check it out! We will have some snacks available, and drink & appetizer specials as well.

Hey, even Santa has Little Helpers. The Backpack Fairies couldn't be found, so Matt Stevenson and Bethanie Knight accepted an awesome donation from the Glasgow Elks Lodge for the back-to-school backpack program. Pictured are Matt, Bethanie and Elks Lodge members Zak Peterson, Mitch Hughes and Sam Waters. A completely anonymous program designed for our local kids in grades 1-12, thanks to ALL who donated; a lot of kids will be headed back to school on Wednesday, August 31st with all the necessary school supplies appropriate for their age.

## Elks Lodge helps the 'Backpack Fairies'

As the school year was about to start, our Lodge became aware of a group collecting school supplies for students who could not afford their supplies.

The "Backpack Fairies" (a great little group of ladies wishing to remain anonymous) were distributing these supplies, after they were collected by Bethanie Knight at Edward Jones. Our officers and trustees made a donation to the project, the Lodge matched the donation amount, and the funds were used to pay for supplies including calculators, backpacks, binders, ear buds, Crayola markers and more to this great

cause.

We have also, as our own project, purchased new gym shoes for some students who could not afford them. We are happy to do this kind of work to help out the kids in our community.

We are happy to announce we have applied for, and received, a \$1,000 grant from the Montana State Elks Association that will be put towards more supplies! Thanks to all who donated money and supplies to this great project and thank you to the Backpack Fairies, Bethanie, and all others involved for starting this program and making it a success.

## #1922'S JOKES OF THE MONTH

Three blonde dudes are stranded on one side of a wide river, and don't know how to get across.

The first man prays to God to make him smart enough to figure out how to cross the river, so God turns him into a red-haired man and he swims across.

The second man prays to God to make him even smarter, so God turns him into a dark-haired man and he builds a boat and rows across.

The third man prays to God to make him the smartest of all, so God turns him into a woman and she walks across the bridge.

.....  
If Trump or Hillary really cared about America they never would have agreed to a debate in the middle of a Monday Night Football game.

.....  
Two guys are drinking in a bar.

One says, "Did you know that Elks have sex 10 to 15 times a night?"

"Aw crap..," says his friend, "and here I just joined the VFW!"

## Let's build a stronger Lodge

If you know of someone who would like to become a member, please have them pick up an application at the Lodge, or please contact one of our officers or trustees. Or if you know of someone who has let their membership lapse, please invite them to come back, we would love to have them renew their memberships. It is quick and easy and they only need to pay their current year's dues to be reinstated.

We have a new member initiation coming up on October 26th; if you would like to become a member or nominate a new member, the sooner the better so they can participate in that initiation.

### QUALIFICATIONS FOR MEMBERSHIP

Membership in the Order is limited to any citizen of the United States, not under twenty-one years of age, who believe in the existence of God, who subscribe themselves to the objects and purposes of the Order and who have been duly initiated in a Subordinate Lodge.
