A Sneak Peek into History

of The Excelsior Springs Elks Lodge #1001

The Elks Lodge has been in Excelsior Springs since October 14, 1905. Their 1st Elks home was located in the K.P. Hall on the corner of Broadway and Marietta Streets and was remodeled to suit the needs of the Lodge.

On June 8, 1909 a resolution was passed to purchase a hotel building at the corner of Thompson and Spring Streets for \$8500.00. The Elks occupied this building until it was razed to move into their new building on the same land at the cost of \$22,400.00. The membership was growing and everyone pitched in. There was a campaign to get 100 new members so on December 30, 1924 they moved into their new building with 125 new members waiting to on initiation. In the early 1960's this building was sold to the city (This building is currently the Excelsior Springs Community Center}. The Elks purchased the Oaks Hotel for \$92,000 and remodeled it, shortly after they made this purchase the healing water and mineral waters baths were declining and the Elks took a huge loss before locating a buyer for the business.

In 1969 the Elks purchased land at 421 South Titus for \$8000.00 constructed a basement and set in for building a swimming pool. It wasn't until 1978 that they decided to build above the basement. It was completed in October 1985 to what is standing today.

The Elks lodge is a non-profit organization and relies on its membership to volunteer their time to make it survive. Our goal is working side by side for the betterment of the Community.

The Elks started out to a men's organization and did not include women to even participate in their functions. Throughout the years this has changed where women can join. In our Lodge Suzanne VanDyne Newel was the 1st female member, Susan Vest was the 1st female officer, Carol Smedlund was the 1st female secretary and Jeri Mickle the 1st female Exalted Ruler.

If you are in the Lodge, look around in the meeting room. You will see a wall of pictures of all the past exalted rulers, another wall is all the deceased members. Note the chairs the officers sit in (known as the sacred chairs as it is a privilege to sit in one of these). These chairs were purchased in the depression years (1930's) from the Richmond Elks Lodge that folded then.

The Purple Ball is a celebration of the birth of Our Lodge and this year the date of the Purple Ball will be held on October 22 With cocktails, dinner and dance. This used to be a formal occasion but is now semi-formal. This is our 111th birthday.

If anyone is interested in joining the Elks Lodge they can call the Lodge at 630-2001 or stop at the Lodge at 421 South Titus.

A Big Thank you to the Late Art Thompson (a life member of the Elks and secretary for 17 years) who gathered a lot of this information from the archives at the museum In Excelsior Springs. One does not realize the wealth of information the museum holds

The Elks expect the members to be active members. We have a lot of activities for young and old, the Lodge would not have survived all these years without Volunteers.
