

Wreaths Across America – December 17, 2016

The Garland Elk's purchased approximately 25 Wreaths for distribution on individual veterans graves at the Dallas - Fort Worth National Cemetery. As Lodge Exalted Ruler I am proud to have participated in this event. In addition to a Dedication ceremony and excellent speaking program an eye catching aerial salute was conducted. This was a spiritually moving event. Thank You to those members who committed to and participated in this event.
