Lexington Elks #2204

Message From The Exalted Ruler

Hi Everyone,

I hope you all had a nice Easter! Monday night Shuffleboard has come to an end and I'd like to thank Mike Bishop for another great season. We have received numerous requests to implement new and amended activities, games and events at the lodge. Starting May 1, 2017, members will see changes posted throughout the lodge on daily activities taking place. Please stop in and ask about the exciting things happening at your club.

Information on any changes will, as always, be posted at regular locations around the lodge and presented by report to the lodge members at regular meetings.

We have a few delinquent members that we would like to get caught up their dues, please have them paid as soon as possible.

Fraternally,

Eric Huoppi
