## Exalted Ruler's Corner

The end of June is the end of the first quarter of the new Elk year. We ended the 2017-2018 Elk year with a net gain in membership of three. In this, the first quarter of 2018-2019, we have a net gain of 10 new members!

Many of those added to our membership rolls are new members, some are transfers and some are reinstatements. Our Elk family is growing and it is diversifying.

In my first three ER messages I have focused on the four pillars of Elkdome: Justice, Brotherly Love, Charity and Fidelity. We live and breathe these virtues.

Recently, I have given thought to the motto of our Order: 'The faults of our members we write upon the sands, their virtues upon the tablets of Love and Memory.'

One follows the other. If we cannot reconcile the motto with our virtues, are we really living and breathing what it means to be an Elk?

The many activities and projects that our Lodge engages in or partners with other organizations really show the selfless, giving nature of our membership.

Throughout the course of life, we encounter people and groups that either lift us up or tear us down; the Elks exist to lift people up. If we are not lifting each other up, then we are not living by those virtues that are Elkdome. It is how we respond to and then reconcile these situations that reveal our true character.

Let us endeavor to keep the motto and the four pillars forefront in our hearts and minds. We are a family, we are the Elks of Boise Lodge #310!

Fraternally, Bart Shadbolt, ER

## REMINDER

If you have CHANGED your address, telephone numbers or email addresses please send these changes to us so that we may make changes in our records. You may call the Secretary at 208-377-2763, send by mail, or email these changes. Also if you plan on being away for any length of time and do not leave a forwarding address, please let us know. We get charged double for every piece of mail returned to us and it is becoming very costly for our lodge. For those that do not want to receive the monthly Chimes by US Mail, be sure to get on the website [www.boiseelks.org](http://www.boiseelks.org) and sign up for the electronic Chimes delivery. Thank You, the Secretary

I am very proud to announce that

Bill Washam was named Idaho State Elks Association ELK OF THE YEAR for the year 2017/2018.

Please join me in congratulating Bill. This is a very special award that few members EVER receive and was well earned. During my 2 years as ER Bill was always there sharing his wisdom and lending a helping hand whenever I asked him. He is a constant fixture in our Lodge working on various projects, as well as State and Grand Lodge projects.

CONGRATULATIONS, Bill
