As summer usually means enjoying the outdoors, vacations or whatever you're doing I can assure you the lodge has been busy. I need to thank Jeff Click for once again organizing the kitchen clean up and everyone who came out. I know we all had other items going on that day but many thanks to everyone who came out and even gave us a couple hours. Your help was very appreciated. We emptied the walk-in cooler and cleaned it from top to bottom, the kitchen was emptied and cleaned, tables were washed, and even the deck was power washed thanks to members who loaned power washers to us. Thank you everyone who came out and it was nice to see a couple new people there as well. It truly is nice to get as many people there as possible making it easier and quicker and it benefits your lodge.

We spent time recently working on staining the deck and we did a lot of work in a few hours before the sun and heat could really bake us. Thank you Jeff & Jen, Dave S., Ed N, Rosario and his son Victor who all gave up their free time for us to get this job started and almost completed. I also would like to thank Jim Elamon for once again feeding us lunch. We still need to finish up the floor and touch-ups, but a lot of work was done thanks to some dedicated folks.

First, I want to thank all our veterans for their service as one other big event we had was the Veteran's Picnic. I am so happy with the turn out, we had over 35 members helping to set up the night before and all day of the event. Thanks Everyone!

Thank you also for all who took this to heart and made a lot of homemade dishes. We had brisket, pulled pork, ham, traditional burgers and hot dogs and a lot of fresh side dishes. I spoke to everyone there and it was heartwarming as they thanked us for the invite and for the great food and to see everyone having a good time hanging out.

As we move through August I hope everyone is enjoying these summer days as once September comes a lot of us get back to being really busy with school and whatever else is going on and we return to our regular meetings schedule in September. That means fish fry will be back, steak dinners back and many other items going on, so please continue to check the calendars and emails for events and news.

I also have to mention major projects is asking us for September to fill up our banks. These are the pink ones you see at the lodge on the tables. All proceeds, as you know, help us support so many good things for kids with special needs so if you have some extra change please help us and them.

Thanks to the PER's once again for putting on the annual car show, this has become an ongoing event at the lodge.

Keep an eye out for information for September 1st which will be the first Motorcycle Ride with our Friends the Masons and Michigan Major Projects to support kids with Autism. This is a great event and it's an honor that our lodge was asked to participate. We do need volunteers, so this is a great opportunity to come out and lend a hand. Any time you give I assure you it's much appreciated and it's a great way to hang out with some members or even get to know other members. Thank you for all you do.

On a final note, please do not hesitate to get involved or ask how you can help out. We have many events coming up and can always use an extra hand. I assure you no experience is necessary and you will have a good time. We need people to help us out to keep making events or projects successful.

Exalted Ruler – Scott Thornberry

Early this summer I had the honor to represent our lodge at this year's National Grand Convention. This was especially special as it was Celebrating 150 Years of Service. I can write a small book about my experience spending over several days there.

I was happy that Esteemed Leading Knight Pat Strickland and his wife Kim came with my wife Kim and I and we booked all our items together. The experience was overwhelming and exciting. Pat and I met so many people from across the country as we attended the events and meetings, visited all the booths, and other items going on. I had the privilege to speak to many Elks from across the country and learn what they do, and I was able to tell so many other Elks what our lodge does. All of you should be proud as we do so much for our community and it was just great to share and exchange experiences.

Pat and I also met up with Bill Mascaro (PER, DDGER), and Ilene from our lodge where we enjoyed meeting up with so many other people, and the three of us attended a lot of meetings and events together. Also, we met up with Paul and Sue Robinson briefly as they had quite a lot on their plate for the week.

This was the first time I ever attended a National Convention and again I could write a book, there was such a wealth of information we received, and it was comforting knowing we are part of a very large organization who all have the same goal, just making our communities a better place and helping out where we can. A lot of ideas were exchanged and shared.

On our flight home, as I was sort of taking in the whole experience I can say I am quite proud to be an Elk, to be part of Flat Rock Lodge, and an organization who truly cares for people and their communities. I also came back home with many new friends from across the country and our state, which thankfully today with the technology makes it so easy to keep in touch with. Thank you Flat Rock Elks for your support and allowing me to represent our lodge this year.

Exalted Ruler – Scott Thornberry

Remember the Alamo!

I had the honor to accompany Scott Thornberry, our Exalted Ruler, to this year's National Convention in San Antonio, Texas. This was my first time attending an Elk's National Convention. I learned more about what Elkdom is really about. It is not only to help the community around you but to help assist all. I learned more about Veterans Services, fundraising for Major Projects and how the Elk's work nationally.

I can't stress how important it is for us all as members to support all the programs the lodge puts on. We not only help everyone with special needs, we also help our Veterans. Remember that as long as there is a Veteran the Elk's will not forget them.

I put this out to all members to support the Flat Rock Elk's functions in some way or another. This is your lodge and without support from its members we cannot continue the work we are known for.

Veteran's Barbeque at Flat Rock Elk's

With great satisfaction I would like to make a comment on our Flat Rock Elk's Veteran's Picnic held on July 14, 2018. First, to all the committee members who assisted and gave up their time to make this one of the best days for our vets **THANK YOU**. Also, I would like to thank all members that came and gave their time and donations. We had about 35 volunteers that came out that day to make this event so special.

We served a great dinner for about 65 Vets and Guests that included Smoked Beef Briskets, Hot Dogs, Ham, Pulled Pork and Burgers with lots of side dishes and desserts that were donated by our members.

The Veteran's Committee is working very hard to expand our programs that include our Lodge Veteran Membership and Veterans within our community.

If you are a Vet and want to make sure you are on our Flat Rock Elk's Veterans membership list please contact me at 734-642-5605 or email to:

Members All,

Our summer is really flying by. The weather has been beautiful. I truly hope everyone is enjoying it. Now, I would like to say Thank You to our Members who took time to come in for our Elk Lodge Flag Day Ceremony. A Special Thank You to our Boy Scouts, Girl Scouts, Flat Rock Fire Department, and Elk Members that helped me out and participated. Thank you Flat Rock Fire Department for hanging your Flag in front of our Lodge.

On September 1, 2018 our Elks Lodge is participating in a Michigan Dice Run to Benefit Autism. I have seen many new faces becoming Elk Members in our Lodge this year. I'm offering you the Opportunity to be a part of something Really Big. I'm in search of volunteers that would like to be part of this new event. I would like to get to know who you are. If you are a long time Member please contact me as well. I have many spots open, so please don't miss out. Please contact me at (734)771-3943. I am in search of many of you to volunteer with me.

Fall is coming around the corner. I do not want you to miss out on, **SAVE THE DATE:** At Monroe ISD Halloween Carnival-October 26, 2018, 8:15 am. This Carnival is for special needs children. I have been Volunteering with a few of our Members for many years participating in making this happen. Thank You Jack Oliphant for starting and getting me involved in this event and I know you are watching down on us. I am looking for Volunteers to pass out candy and spend time with kids in school here. High School and Middle College Students also participate. My friend Nick already ask me when it is going to be because he does not want to miss out in participating with me. It is almost here and I look forward to Nick joining me! I am currently working at the Transition Center next door, so I really encourage you to call me if you are available for about 3 to 4 hours. The Elks Need You!

Fish Fry Dinners are rolling around the corner, and I have a great opportunity for Members who are interested in joining to help us in the kitchen. It takes many hours to shop, prepare, cook and clean up after a dinner. We have a few that come help prepare the night before, and a few hours before and many during. Now, if we could get a few that could help even near the end with clean-up it would be awesome. Oh, and I need 2 dish washers and 2 or 3 to help in the dining room during the Fish Fry. Please contact me at (734)771-3943. How did I get started on Volunteering, by saying "YES"! This could be you!

I have more volunteer opportunities coming up in the future. Please be on the lookout for our Fall Newsletter. Please Say "YES" to volunteer with Jennifer.

Be safe and I look forward to seeing you at the Lodge!

Something I think about, Why I am an Elk?

Members all: *****

Just a word of thanks to all members that gave time out of their busy schedules to help volunteer their time for improvements on your Lodge. Truly big thanks for those that came out on June 16th for the Kitchen clean-up. Let's be honest, it's not a fun job, but it is entirely necessary to give the Kitchen and Walk-in Coolers a major cleaning and scrub down at least once a year on top of the normal cleaning and maintenance that happens after all Lodge functions. Those that came out really worked hard scrubbing stoves and ovens, fridges and freezers, countertops and stainless steel. In addition the entire walk-in was emptied and shelves, floors and walls were cleaned and sanitized and that's just part of what was done.

It was great to see several brand new members volunteering their time and talents on a summer weekend. In addition to the kitchen the entire outside deck was power washed and cleaned in preparation for it to be stained and sealed. This is currently being done. Without members volunteering the condition of the Lodge would fall into disrepair and the maintenance and cleaning costs would be thousands of dollars more per year at a minimum. The more we can do ourselves the more money we have for the day to day operation of the Lodge and supporting the good works of Elkdome. Like the old saying goes, there's no free lunch. Everyone has something to offer back to their Lodge. Whatever it is make a point of offering your services when it's possible. The truth is it's the same groups of volunteers that does the heavy lifting too often; it's not that they are unhappy to do so, but it's wonderful to see some new and returning faces.

**Fraternally yours,
Jeff Click: PER and Trustee
And your Fish Fry committee**

Dear Lodge Brothers, Sisters and Friends,

Thank you for the donation of \$500 to Mi Cookie Project. This Lodge's support of the program has been a blessing since before we opened our doors 2 years ago. The Flat Rock Elks does so much for individuals with Intellectual Disabilities. Mi Cookie Project: inviting us to sell cookies at the fish fries, enabling us to hold a very successful fundraiser - Dueling Pianos/Steak Dinner (our 3rd event is already scheduled for March 9, 2019), a grant for equipment and supplies to help us open our doors, allowing us to hold our 1st anniversary party on your back deck, and now this grant. Thank You.

Jo Brighton Special Olympics: holding our annual All Sports Banquet each May, providing volunteers for our Southeast Regional Kayak Tournament each August in Elizabeth Park (this year August 19 @ noon) and providing lunch to the participants, providing a place for meetings for our coaches and other committees, providing lunch for our annual Jo Brighton vs DR Arc Basketball tournament and supporting the Jo Brighton vs Carlson High School BB tournament, hosting a bowling tournament for Jo Brighton and DR Arc and local HS students making sure that everyone is included. You also do so much with the DR Arc: inclusive basketball and softball games with local high school students, hosting the inclusive bowling tournament, sports parties on your back deck, etc.

I have a passion for volunteering; as Director of Mi Cookie Project for over 2 years and Local Coordinator for Jo Brighton Special Olympics for over 41 years. I actually started the DR Arc Special Olympics program back in January 1976 and was local coordinator for a 1 ½ years while I worked there, before being transferred to Jo Brighton.

I am so proud to be a member of Flat Rock Elks and all you do for others. So, when you see our group selling cookies at your fish fries, when you support our program with grants toward equipment and supplies, when we hold our steak dinner/dueling pianos fundraiser at the lodge, please know that you are making it possible to reach our goals. To provide a purpose in the life of an individual with intellectual disabilities who would otherwise be sitting at home watching tv or playing video games. And to show the community that people with intellectual disabilities can work.

I am proud to share that one of our bakers is in the process of getting a job near his home. He lives in a group home and will be working at a restaurant near Westland. That is certainly one of our goals for any baker that may want a job. Thank you again for all of your support of individuals with intellectual disabilities. Thank you for the grant for Mi Cookie Project for equipment and supplies.

Sincerely,

Maggie Gibson

ALPENA- The Great Lakes Maritime Heritage Center hosted the 8th annual Cardboard Boat Regatta for Alpena's Fourth of July festivities. Paddlers competed in three divisions: Kids' Paddle (10-14 year-old sailors), Crew of Two, and The Whole Crew-Group (minimum of 3 sailors to compete).

The **Bear Claw** guided by Jeff Weiler Jr. and Sr. won the overall event and took home the Admiral's Award.

The Thunder Bay Theatre paddled with 13 people on their boat. They sunk early, but the team had fun.

Here are the final results:

1st Place Class 1 (Kids Paddle) : Zibby 1

1st Place Class 3 (Crew of 2) : **Bear Crew**

1st Place Class 4 (Crew of 3 or more) : A Bad Idea

Pride of the Fleet Award (Most Well Engineered) : A Bad Idea

Admiral's Award (Most Innovative Design) : **Bear Crew**

Captain's Award (Team Spirit) : Thunder Bay Theatre

Judge's Bribe Award (Most Money Raised for the Friends of Thunder Bay National Marine Sanctuary) : Emily Grace

Most Sailor's Afloat Award : A Bad Idea

Titanic Award (Most Spectacular Sinking) : Unsinkable 10

Thunder Bay Cup : **Bear Crew**

The tradition is carrying on. We are putting on a KID WITHOUT A CHRISTMAS again this year. Last year we gave 7 kids the Christmas of their life. This year we are shooting for 25 kids. We again will team up with the public-school systems within our district. They will choose the needy kids to give a \$200 shopping spree at Flat Rock Meijer's. This year we are having a golf outing to help raise the money. The outing will be October 6th at a cost of \$75 per golfer. Sign up will be behind the bar as usual. We will again also have a lottery to choose who gets to shop with the kids. Each golfer will be given a ticket and we will have tickets for sale at the lodge for members to take a chance to win to be a shopper. The price per ticket will be decided soon. I was fortunate enough to get to go last year and it was one of the most enlightening events I have ever been involved in. The children were amazing and so were the parents. We had comments like "I don't know what size I am I have never had new clothes" and "Can I pick out something for my Dog". The parents were in tears with joy and amazement. Please think about golfing in the outing, if not please buy a lottery ticket to support the cause. 100% of the profits raised will be going to the kids.
