OUR Lodge Reports of Committees

A Report from our Exalted Ruler – Dennis Gates

Hi Everyone:

As you know we have changes at the Elks Lodge with new hours, etc.

We are going to advertise for an Event Planner/Coordinator, if you know of anyone or interested send resume to the Elks Lodge.

We are having a dance on November 10th, see information in newsletter.

We always need volunteers to help with Chicken Feeds, Football Banquet and other events. Help support the Elks, by volunteering. Ask Doug, trustee or one of the officers what you can do to help. To paraphrase a famous speech: And so, my fellow Elks: ask not what your Lodge can do for you — ask what you can do for your Lodge.

Dennis

The Red Ribbon History

RED RIBBON WEEK is the nation's oldest and largest drug prevention awareness program. The National Family Partnership started Red Ribbon Week after the death of Drug Enforcement Administration (DEA) Special Agent Enrique "Kiki" Camarena.

Enrique "Kiki" Camarena was born on July 28, 1947 in Mexicali, Mexico. He graduated from Calexico High School in Calexico, Calif. in 1966. After graduation, he joined the U.S. Marines where he served for two years. Following his military service, Kiki joined the Calexico Police Department and later moved to the El Centro Police Department. On June 28, 1974 he became part of the Drug Enforcement Administration. Seven years later he was assigned to the resident office in Guadalajara. He worked out of this office for four and a half years and was close to exposing a major drug trafficking operation. On February 7, 1985 Kiki was kidnapped, he was brutally tortured and murdered by the drug traffickers he was investigating in Mexico. He was 37 years of age.

Shortly after Kiki's murder, U.S. Congressman Duncan Hunter and Calexico High School classmate Henry Lozano launched Camarena Clubs in Kiki's home town of Calexico, Calif. Club members wore red ribbons and pledged to lead drug free lives.

Red Ribbon Week eventually gained momentum throughout California and later the United States. The Elks have been supporters of Red Ribbon Week since the beginning. The campaign was formalized by President and Mrs. Reagan who served as honorary chairpersons. Congress officially established Red Ribbon Week in 1988. Nationwide, it is celebrated annually in the last week in October.
