October 2018

From the Exalted Ruler

October is here and fall has begun, this is the time of year when we have lots of activities and parties. The weather is nice you can have outdoor events and everyone can have a good time.

The regularly scheduled Bingo nights will be the 2nd and the 16th, please keep in mind that this is one of our major fund raisers and we can always use more help and attendees, it would be nice if there were enough help that we could have two crews only having to work once a month, so if you would like to get involved come on down.

We have the rib cook-off this month Saturday October 6th and it is always a great time and the temperature should be nice for an outdoor event so there are still a few spaces left sign up and show us how you cook ribs, there are also very nice prizes for this event, come join us and have a good time.

We will have family night on October 19th which will have student of the month, karaoke, corn hole, and pot luck it was a good time in July and the corn hole was fun and the karaoke was entertaining.

The meetings this month will be October 11th and 25th, we have the by-laws to vote on for the updates and we would love to have your participation in the vote.

The floor coverings are now done and the lodge looks great all of these improvements are helping to make the lodge more rentable and easier to maintain, please come and see what is going on. We have several other projects yet to be done this year and we will be looking for help in the form of fundraising, labor, and planning please come and join us and be a part of the project. We have the restroom remodel coming up and the bar back repairs to be done we need to get help with the demolition on these areas and will be scheduling the work as soon as we have the final details worked out. We also need to replace one of our bar back refrigerators along with the downstairs ice machine both of which have exceeded their serviceable life span. Fund raisers that help us pay for new equipment are always greatly appreciated.

We have a number of other projects and activities coming up so please come down get involved and help make your lodge a better place.

As always thank you for your participation and we hope to see you at the lodge. Mark
