News from the Exalted Ruler:

Hope all my fellow Elks had a great and safe 4th. I attended Grand Lodge in St. Louis and learned a great deal from the other lodges. I will pass along some newsletters and words from the convention at the upcoming meetings.

We are still looking for a couple of people, interested in becoming trustees. Tony Barnes resigned as trustee, and George Bowman would like to step down due to health concerns. This is a great chance to get off the barstool and become part of the great things that are happening at the Elks.

As many people have noticed, a lot of changes for the better have taken place. I am in serious need of others to step in and help cook monthly meals, and keep our Lodge looking great. This is a Team effort and again, I would like to remind everyone that both trustee and house committee meetings are open to everyone. We have several great events coming up and I will be cooking two amazing meals in the next few weeks.

I would also like to add that my phone is on 24/365 days. I am open to ideas and have little tolerance for negative attitudes or words. We are one team; we are a family.

ENF Updates (Elks National Foundation):

The GER Per Capita Goal has been met! We are now eligible for all the available grants for 2020-21 year.

During the 2018-19 Lodge year, the Elks of Kansas donated \$50,823.13 to the Elks National Foundation. This year, the Foundation will give back the

following: KETCH, our state's major project, \$37,430. \$16,000 for most Valuable Student Scholarships. \$7,620.00 for Veterans Service Commission.

That's a ratio of 2.163 for every dollar the Foundation received from your state last year. That doesn't even include the money Lodges in your state will get back through our [Community Investments Program](#).

For the 2018-19 fiscal year, for example, we awarded a total of \$78,825.00 to 15 Kansas Lodges.

Thank you to everyone who has donated to ENF this year and previous years. We are able to do so much more in our Community through the use of these grants.
