Exalted Ruler Message

My fellow Elks,

I hope everyone had a truly blessed month. I am looking forward to cooler weather and a change in season.

We had several great and successful events this past month. I hope our members and community can see we are moving leaps and bounds towards making our Elks one of the best in the state. As I reflect on our growth and participation in the community I am reminded that the purpose of the Elks is to "To promote and practice the four cardinal virtues of Charity, Justice, Brotherly Love and Fidelity; to promote the welfare and enhance the happiness of its members; to quicken the spirit of American Patriotism and cultivate good fellowship." I am encouraged our Lodge will continue this forward momentum towards instilling these principles in everything we accomplish.

A few last thoughts:

- On the 25th of this month, we will have our DD visit. We invite everyone to the Elks to meet our DD and participate in our monthly Lodge Meeting.
- We are always in need of volunteers to cook, participate in community events and setup and cleanup after events.
- I would like to thank Mike and Alanna LaBarge for all their time, research, and dedication to improving the Elks.

Thank you and see you at the next meeting.

Respectfully,

John Roe, Exalted Ruler

Elks National Foundation

Our Lodge recently sent in all the donations to ENF, we have now met the GER per capita. Over 15% of our members donated this year, this means that we will receive an extra \$500 next year for the Gratitude Grant.

Again "Thank You" to all the members that donated. You don't have to wait until dues notices are sent out to make a donation. Donations can be made on line. Just go to WWW.elks.org, click on Elks National Foundation at the top of the page, then select support ENF. You can make a single donation or set up a monthly donation. Remember that your donations are tax deductible.

It is that time of the year again. The MVS (Most Valuable Scholarship) is now open. The scholarship applications are available on line to High School seniors from August 5th through November 5th.

Fraternally,
Brenda King, ENF Chair

Elks Funds: Beacon Grant Dollars at Work

The most recent Beacon Grant event was a Carnival for Camp SOAR. There were 31 kids in attendance and they enjoyed an afternoon of fun and entertainment. There was face painting, balloon animals, a dunk tank, cotton candy and snow cones and various other games and activities. The grief activity was creating and decorating masquerade masks.

Next SOAR event will be held on 28th September at the 12th Street Community Center; from 10:00-4:00.

House Committee Report

Thank you everyone for supporting recent changes at Elks Lodge 1037. We have increased our social events; look forward to installing the new big screen television for football season and continue to find ways to support our foundations and community. Remember, we could not continue to grow, serve people and surrounding communities without your support. I encourage you join us for our events and volunteers are always needed.

Fraternally,
Alanna LaBarge, EST Leading Knight
