## Exalted Ruler's Corner

Happy end of summer to everyone.

Summer has been very busy for all of us and I know that I am looking forward to the fall weather. As the temps are getting lower and the days are getting shorter, it is time to focus again on Elkdom.

Please join us for the meeting on September 4 for my report on the Grand Lodge Convention that Kim and myself attended in late June. There is a lot of great thing happening throughout our organization and it's a great time to be Elks.

I would also like to personally invite everyone to a dinner or other lodge function. I have met many lodge members, but there are many more that I have not met and I would love to see new faces.

I would also like to thank our wonderful members who tirelessly put in hours to make all of our events run smoothly. Please remember to respect these folks that volunteer their time for you. Without them you would not have the great lodge that we do. Tell these folks, "Thank You." A little gesture of kindness goes a long way.

Fraternally, and Sincerely  
 Michael Alex Miller  
 Exalted Ruler  
 Boise Lodge 310  
 B.P.O.E.

Dear Lodge Members,

As summer is coming to an end, I look forward to all the fun things we do together at the lodge during fall and winter. However, I am reminded that we will be saying good bye for now to some of the awesome lodge members who summer here. Safe travels to these friends!

I wanted to take a moment to recognize a group of individuals who are not always recognized at our lodge, the behind the scenes people. The kind of people who do and take the kind of action that is not always popular or fun but is necessary to keep the lodge in working order. If I started naming all of you my article would be longer than the ER's message. Let us work together to make sure the saying, "no good deed goes unpunished" is not heard at our great lodge.

Sincerely,

Kim Miller      First Lady

## WELL DRINKS AND NON-DRAFT BEER

Last month it was reported that Well Drinks and Non-Draft Beer would be standardized at \$3.00 per drink. This action was delayed until September 1st. This standardization will make it easier for bartenders and cover cost increases that have been incurred. Beginning September 1st there will additional changes at the lounge which I believe will be appreciated by our members. Come in and see how we are going to make the lounge a great place to meet.
