#### Miller Woods Event

I was contacted by the McMinnville School District, asking me if I could get 10 volunteers to help them out for their annual science field trip to Miller Woods. The participants are the second graders of the McMinnville School District. I said I would see what I could do to help them out. To the volunteers Donna L. Gentile, Rosie Lewis, Virginia Privatsky Williams, Jenny Crawford, Polly Danna, Vickie Wilbanks, Jim Rawls, Vern and Grace Popowski, I want to thank you all so much for helping me out for the school district event. The actual event was held over five days, October 14<sup>th</sup> to the 18<sup>th</sup>. The volunteers covered four of the five areas. We built nest boxes for the local birds, some hunted for bugs and insects at the Meadow area. Others found water bourn insects and small water animals that live in the water at the Upper Pond area. While others went to the Lower Pond area to find animals and plants that live in the area around the pond. The weather for the event was typical for Oregon at this time of year, from bright sun to rain and some rolling fog. A great time was had by all. Once again thank you so much for the volunteers that help make this event a success.

## Thanksgiving did you know!?

1. A full grown turkey has 3500 feathers.
2. Campbell Soup company invented the "traditional" Thanksgiving green bean casserole.
3. There are 17 ridges on a 14-ounce can of Ocean Spray Jellied Cranberry Sauce.
4. "Jingle Bells" was originally composed for children to sing in a Boston Sunday School celebration. It was meant for the Thanksgiving season and had no connection to Christmas.
5. The Butterball Turkey Hotline answers more than 100,000 questions during the holiday season each year.
6. According to the National Turkey Federation, only 88% of Americans chow down on turkey.

## Rambling Rejects

October camping from Rambling Rejects. Jimmy and Kelli Smith put on a leather class that most all participated in. It was a wonderful learning experience, we made Christmas ornaments, dog collars, key chains and watched Jimmy do wallets. Everyone had a great time. We all had a full course Thanksgiving dinner put on by Donna and Glenda. A special thanks to all that came and brought side dishes.

## Leading Knight

We are informing our community that our Lodge is very much involved in making a difference. Our Lodge helped at the Out Door School in various locations in Miller Park for Sue Buel School. We explained natural things that occurs in nature such as: bird nests, trees, ponds, meadows, and etc.

The lodge paid rent for a needy family in our community.

## The 11th Hour Toast

You have heard the tolling of eleven strokes. This is to remind us that with Elks the hour of eleven has a tender significance. Wherever Elks may roam, whatever their lot in life may be, when this hour falls upon the dial of night the great heart of Elksdom swells and throbs. It is the golden hour of recollection, the homecoming of those who wander, the mystic roll call of those who will come no more. Living or dead Elks are never forgotten, never forsaken. Morning and noon may pass them by, the light of day sink heedlessly in the west, but ere the shadows of midnight shall fall, the chimes of memory will be pealing forth the friendly message.

## Two holidays commemorate veterans this month

Submitted By John D. Amen, PGER NVS Commission Vice-Chairman

While we as Elks support our nation's veterans throughout the year, we step up our volunteer efforts in November. Our motto is most important during this favored month: "As long as there are Veterans, the Benevolent and Protective Order of Elks will never forget them." Let's all ramp up that meaningful motto to produce more support than ever before.

We have two significant opportunities to show our support: Veterans Day and Thanksgiving. Volunteer at your Lodge to make sure no veterans are forgotten.

Veterans Day on November 11 is our first major event. Bring in veterans for an honor lunch or dinner. They deserve your respect and gratitude for their service.

On Thanksgiving, take some time out of your family activities or bring the family along for some service and acts of charity to ensure that no veteran misses a beautiful Thanksgiving dinner.

Most importantly on both of these two special days, be sure no veteran in your community is left to sit alone in their home. Your presence and show of appreciation will be worth more than gold to these heroes who have defended our nation in war and peace.

Take time to assist events at any of the 430 veteran centers supported by our great Elks National Foundation charity through the VAVS program. Picnics and Lodge meals will satisfy our commitment to remember veterans. Supporting the current Elks drive to restore and enhance the Pearl Harbor Memorial with a donation or fundraiser is another great gesture. Look for the banners for this project on Elks.org.

These and many more of our Elks veterans programs will achieve our mission. The veterans are counting on us.
