Happy New Year 2020

Hello all,

I welcome the year 2020 to our lodge. We had many new events in the hall this past year, to include a Hobo Dinner, Drag Queen Bingo, Murder Mystery Dinner, and brought back New Year's Eve Dinner. I would like to thank everyone that had any part in these events to help the lodge out. Many expenses have been incurred at the lodge to keep it going this past year. A new air conditioning system had to be installed in the hall, new awnings in the front and back of the lodge, new garbage disposal in the kitchen, new cooler and ice maker in the bar. Plus numerous other smaller items that contribute to the expenses. These are why it is more important to help in some of the many fundraisers we have for the lodge. Many more events are coming up in the next few months to support the lodge. I encourage you to try to attend a few of these to help the lodge out and to also have a good time. This is a new year that will come with new expenses that we will need to be prepared for. With your support, I believe we will have a successful year.

Exalted Ruler - Pat Strickland

Secretary Message

Happy New Year to all.

Hope everyone is doing well. This is a busy time down at the lodge. There is something going on every month at the lodge. Stop down and enjoy all we have to offer. I will be sending out dues sometime in January. This gives you plenty of time to pay before April 1st. arrives. If you're heading out of town I will except your dues now. Annual dues will be \$82.00. Life Member \$42.00. Just place an envelope in my mailbox behind the bar with money and your information and I will mail your new card out. If you're delinquent, you can still pay your dues before April 1st. If delinquent dues are not paid before that date you will be dropped from records. Gun Raffle tickets are on sale now behind the bar. Get them while they last. They go fast. If you have a change in information, please contact me or drop it off at the lodge.

Be Safe and have a great New Year.

From the North Pole - Desk of Santa Clause

Dear Boys and Girls of the Flat Rock Elks:

Mrs. Clause and I wanted to send you a little note thanking you for making our visit to your Christmas party so special.

It was nice to sit and talk with each and everyone of you and take pictures, so many pictures, my rosy cheeks hurt from so much smiling 😊 You made our Christmas Special.

Please tell your parents that Mr. and Mrs. Clause think that the Boys and Girls of the Flat Rock Elks are some of the politest, if not the cutest children in Michigan.

Be sure to listen to your parents and always try your best and we know you will all be on the Good list again next year.

See you again in about 330 days at your next Christmas Party.

Yours Truly

Mr. & Mrs. Clause

Elk member volunteers continue to support the things that are most important to us "THE KIDS". It took 50 plus volunteers to take these kids shopping and feed them and their family members at the lodge.

I offered to help a young boy to a table with his food because his hands were full. Teasing him I thanked him for getting me Pizza...Well, did I get a look back from him. **That Pizza was definitely his.** The next thing he did just cracked me up..... He licked both pieces of pizza handed me his plate and I helped him to his seat. **Problem solved !!!!**

No Kid Without a Christmas

If you have not been a part of the "No Kids Without a Christmas" you are missing out on what Elkdom is about. Thank you to the chair persons and all that helped out. It was a great project. I'm so glad we had a little more to spend this year. As we were putting the items on the checkout belt one of my kids noticed that she needed batteries for one of the items she was going to purchase and wanted to put it back. She had no batteries and no way to get them so we added on a pack of batteries. Everyone was happy!!!

Dave Scicluna Trustee

Shopping for the kids is done. No Kid Without a Christmas:

Shopped with 43 kids from 18 different families.

Spent \$15,400

Average spend per child: \$275

Gift card per family \$200

Total average spend per family: \$856

All made possible because a bunch of friends got together and decided to have a fall fun fest golf outing at Wesburn Golf and Country Club followed by a huge Polish feast and basket raffle at The Elks (of course a few drinks of choice were consumed along the way).

Merry Christmas everyone!

Chris Wooten

It's a Great Day to be a "Flat Rock Elk"!

Happy 2020 to all

Pat and I would like to wish everyone a Happy and Prosperous 2020.

The Elkady's sponsored several events during the month of December: We came together and decorated the hall. Elkady's purchased a brand new 12' lighted Christmas tree and recently added 2 more 12' trees for next year. Our annual Elks Christmas party was a huge success this Year. We not only brought back the "White Elephant" gift exchange where *liquor* seemed to be the gift to steal but we had a "decorate your own table contest". We had many participants and the competition was fierce. It was nice to see how many different table themes we had. Before the party ended, we could already see the wheels turning for next year to see who can top who.

On December 15th we sponsored a craft and vendor show in the hall with 22 vendors. There was a wide variety of items available for purchase/order. We will be looking into sponsoring another show possibly in the Springtime.

Upcoming events:

Elkady's Valentines Quarter Mania on Thursday February 13th, doors open at 6pm. Admission \$10.00, come on down and win yourself some goodies for Valentine's Day. Flyers are posted around the hall and on our face book page or for additional information please contact one of the Elkady officers.

Elkady's annual Soup Cookoff is Sunday February 16th. Bring down your "specialty" soup and enter the contest. Entry fee is only \$5.00. If you just want to come down and sample and vote, cost is only \$5.00.

If you are interested in receiving more information on how to join the Elkady's our meetings are scheduled for the 4th Wednesday of each month @ 7:30pm and all are welcome to join. Very Best Regards to All

Members All,

January is almost over, with not too much of winter left, I hope. With winter here it could really make one feel like hibernating and staying inside, unless you are into the winter sports. Take some time to come down to your Lodge and enjoy a beverage and meet up with some friends. Please check out the many events planned for you as a Member listed on the calendar or flyers that are sent out. You could be missing out on a fun night out with friends.

I had the opportunity of planning your 365 Major Projects Dinner Dance which was truly a pleasure. I could not express myself more at how much fun I had planning the event. So many Members helped with either setting up the Hall, Cooking Turkeys, Ham or Pork Tenderloin and some extra sides provided. So much food was brought in as a dish to pass whether it was an appetizer, side dish, or dessert it was so good. Our Kitchen crew was awesome, not to mention that we have our dish washer Ron Gildersleeve whom actually is amazing at doing this job, you may have seen him during a Fish Fry Night or two scrubbing dishes while at the window turning in your tickets. Raffle tickets and 50/50 did so awesome, Thank you. I understand the 50/50 Board was something New, thank you for trying it out, it never would have made a great profit, without YOU! We had wonderful greeters at the door who received a Pink Bank or \$5.00 at the door. Our entertainment Hoosier Daddy-Unplugged provided some great tunes that Night. Here is where more of our Elk Members provided help. If you looked around the room at all of the tables set up with raffle items, wow! Thank you for the raffle donations and cash donations. Our 365 Tie was Auctioned off to Cathy Fater this year for 2020. The tie is in the process of getting the names in calligraphy on it.

I look forward to seeing you at the Lodge, at our Valentine's Dinner. Also, if perhaps you are interested in volunteering more, please let me know. Don't be shy. I will see you at our next Fish Fry where you will catch me selling 50/50 tickets.

Sincerely,

Esteemed Leading Knight

Past Exalted Rulers (PER) Message

The Past Exalted Rulers of our Lodge would like to thank all who supported all of our “Fundraising Events” over the past few years which allowed us to be the “Major” contributor to the cost of the new Aluminum Awnings on the front and back of our Building. The Elkadys and the Euchre Club need Thanks also due to their contributions, which then covered the total cost of the “upgrade”. **No Cost To The Lodge.**

Our next Fundraising Event will be our Annual “Muskrat and Spaghetti Dinner” coming up on Sunday: February 9th starting at Noon. It’s an “All You Can Eat Dinner”. Hope to see you there.

Hope this goes to show that when there is a “Fundraising Event” being put on by any of our Lodge Groups, it’s important for us all to attend. Just paying your Yearly Dues does not bring in all the money needed to keep our Great Lodge going. It’s all the extra Events that do. So come and hang out with the others that will be there. Every Event is always a “Fun Event”.

Lodge Activities

On Saturday, November 16th the Drag Queen Bingo broads were back for another performance. The hall was packed. So much laughter! Once again, a good time was had by all!

What a great time we had at our New Year's Eve party!

Kudos to Park Place for the great food, and to Hoozier Daddy for the great music! The dance floor was busy all night. We jumped into 2020 on the "right" foot. As the night was coming to an end, people kept asking the band for "one more song".

Thanks to Pat for doing the 11th Hour. You nailed it (no notes)!

Next up –

St Valentine's – "An Evening with Sinatra". Restaurants too busy? Don't feel like cooking? Get your tickets and bring your special Valentine to the lodge on Friday, February 14th. We are set for a night of Italian food and entertainment by Ol Blue Eyes himself.

5th Year of the 10 Pin Takedown

It's amazing that this was our 5th year of the 10 Pin Takedown Bowling Event we fund for the Downriver and Monroe ARC, Jo Brighton, Woodhaven High School, Flat Rock High School and Huron High School bowling teams. In the past we have had to beg for the High School students to come out and assist with this program. This year we had a minimum of one High School student per lane. We also had a great Elk turnout. The kitchen was fully staffed and thanks to all who helped. I need to thank ENF again for giving us the grant money to put this event on. If anyone out there has some extra time and would like to apply for the ENF Chairperson spot, I know Jennifer Click is searching for that person. You don't need a lot of time and you will have a lot of Elk support in putting all our ENF events. This bowling event has more than 130 special athletes each year. They look forward to this event all year long. I would hate to see these events disappear because we don't have a chairperson to support this cause.

Basketball Season at the Elks

The Jo Brighton special athletes and Carlson High School basketball players came together for **"Shooting with the Stars"** on January 19th. This year even some of the Carlson alumni came back to play and cheer on the Jo Brighton athletes that they have gotten to know from the past six years. The Carlson marching band performed and the Carlson cheerleaders cheered on the athletes. This event is so much fun! Thank you to coach Rob Raymond, Samantha and Teresa Camilleri for letting us be a part of this event. A special thanks to Cathy Conflitti, Ron Gildersleeve, Kathy and Keith Diedrich (POPS) for cooking and serving lunch to all of the athletes. Everyone is already talking about next year. It takes a lot of volunteers to make this event a success. Watch for the date next year and come have a blast with some great athletes!

Kim Thornberry – Special Olympics Coordinator

ARC/ Warrior Basketball 2020

We supported our 6th annual Warrior/ARC basketball and skills competition on January 25th. This event just keeps growing. We are now up to one set of Skills players, and 8 full basketball teams. The event this year ran from 10:00 in the morning until 4:00 in the afternoon. It was a full day of nonstop fun. We served up more than 20 pizzas, 200 bags of chips, many cases of pop, water and Gatorade and more than 5 pounds of candy. The Elk support was again Steller. This event almost runs itself after this long. It's really good to see all these special athletes each year, and as they leave they all tell you "see you next year". Let's just hope we can keep these events going and growing. We saw all the usual suspects from ARC. Tommy was still singing and back-up announcer. Tony was once again predicting the big win, and again he and his team just won this time. Many thanks to everyone that helped this year. I hope to see you all again next year.

Welcome New Flat Rock Elk Members

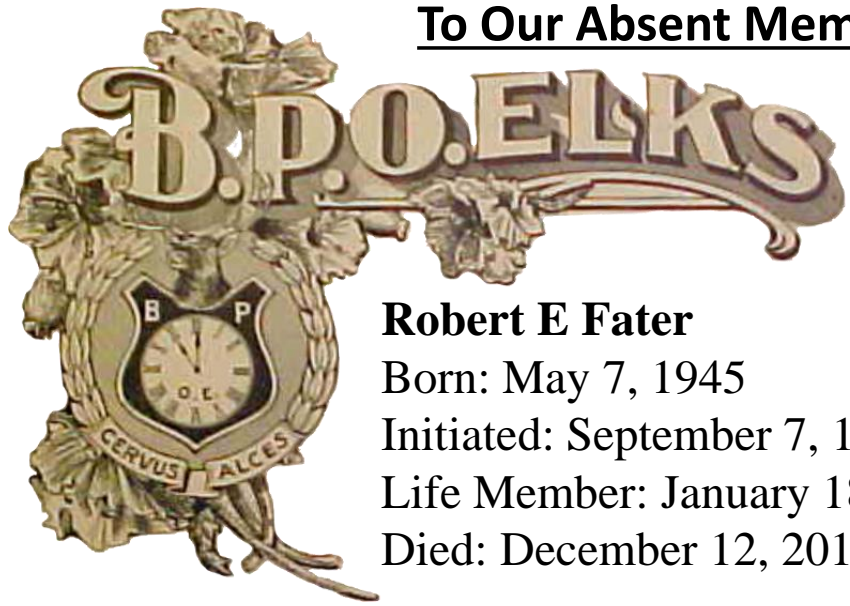

On January 15th the Flat Rock Elks initiated Jodi Keller and nine additional new members. It's so important to bring in new members to continue the great work this Lodge has done over the past 72 years. It's also very Important to have these younger new members help with the many programs we do in our community. During their initiation they mentioned that they like what we do in the community and would like to help. New members are in no particular order: Jodi Keller, Jacob Mitchell, Zachary Schlarb, Steve White, John McElmeel, Richard Martin, Jamie Huff, Lindsey Ridsen, Alexander Quirie and Brian Teyreau.

Thank you so much for your very generous donations.

This with donations from the Past Exulted Rulers, Elkady's and the Euchre club allowed the Trustees/Board of Directors to completely replace the front and rear entrance awnings that were severely damaged and weathered during a windstorm earlier this year. Because of this we did not have to touch any of our Lodges savings. The new awning is much heavier and should provide many years of service and freshens up of the exterior of the building.

This past year the Lodge had some big expenses a new A/C and duct work, two hot water tanks that failed and were replaced, a new beer cooler, staining the deck, replacement of the garbage disposer, repairs to the roof, plus general maintenance items. So, your generosity was particularly appreciated during our time of need. We all know the commitment of these groups to our Lodge and Elksdom and the amount of time and effort that went into raising that amount of money.

Like all of us our building and facilities is aging and will require additional maintenance and upgrades planned and unplanned in the years ahead. By working together, we can meet the needs of our Lodge and Elksdom and serve the needs of our membership and community for years to come. When you see Tim Campau please thank him for his hard work on replacing the awnings and keeping the cost reasonable. On behalf of our membership we say Thank-You!

24TH WILD GAME DINNER

Our 24th Annual Wild Game Dinner was the largest in attendance that we have ever had since it started. We had 35 tables set up and only a few were not filled. Every year it's been getting more attendance, as the word is getting around about our "awesome menu". Here is what we served: VENISON CHILI, VENISON VEGGIE SOUP, VENISON SLIDERS, PHEASANT REUBAN, SWEET & SOUR DUCK & GOOSE, VENISON STROGONOFF, VENISON MOSTOCHOLLI, VENISON CABBAGE ROLLS, VENISON PRIME ROAST, RABBIT ALFREDO, VENISON COWBOY BEANS, VENISON KIELBASA & KRAUT, SQUIRREL SHEPHARDS PIE, WILD TURKEY CASSEROLE, VENISON STUFFING & CANDY APPLE, VENISON SLICES AND WALLEYE, PERCH & PANFISH. No other Event can compare with that menu. But the only way that can happen is that the "stuff" that we cook is donated from the successful hunters who "trade" for Admission Tickets.

It takes 3 days to prepare all this food, so all the "Kitchen Workers" that have been helping every year, along with the guys who set up the hall, the Bartenders, the Door Workers, the 50-50 Ladies, the Ladies who helped selling Raffle Tickets, "Long Tall Tom" for selling all the Raffle Tickets again, and anyone else who helped need a huge **"THANK YOU"!**

Next Year will be the "25th Anniversary of the Event. It will be something special. We are starting to get ideas from everyone who would like to offer any thoughts. So.....on Monday: February 10th, starting at 7:00 P.M., my son Russ and me are "hosting" a "get together" in the Lounge for all who worked the Event that I mentioned earlier. Come on down for some Drinks and Munchies on Russ and me. See you there.

We have only 1 dumpster in the parkinglot, and with that we spend over \$300 a month on trash removal. January, February, March and April are the busiest months of activity at the lodge creating lots of trash.

When the dumpster is overflowing, bags of garbage are often placed on the ground surrounding it. And the pickup company will not be able to access the dumpster to empty it – so no pickup! We absolutely cannot have that! In addition, we are encouraging rodent problems. The mess created once the bags are torn open is terrible and **NO ONE** wants to have to clean this up.

What can you do to help? Don't use the dumpster for trash from home or business. If you can't fit bags in the dumpster, do not leave them on the ground out there – bring it to an officer's attention. Think about what you are tossing out. Can it be compacted to save space? Make sure ALL boxes (large and small) are ALWAYS broken down. Most people do this at home without even thinking about it. So why not do it here?

It's becoming a very real problem for the guys who have to go out there and deal with it. So let's all pitch in and do our part.
