Hello Mesa-Buckhorn Elks!!

It's MARCH already and my time as your Exalter Ruler is winding down. I am finding it a little difficult to write my message this month.

*It's been a great year!* We have **ALL** accomplished some amazing milestones as well as some just about to occur. All in all, it was a very rewarding year AND, without all of our members, our Lodge could not have been so successful. A HUGE *Thank You* from myself and the rest of our Lodge Officers for being part of this.

I want to thank all of my Officers, both elected and appointed, for all of their help and support. All of my Committee Chairs and their volunteers throughout ALL the events of this past year have made Mesa-Buckhorn again the shining jewel of Arizona Elkdom. Special thanks to Deb Melton, PER, my mentor this past year – Chirp! Chirp!

The Charity for March is Youth Activities. Some of the facets under Youth Activities are the Student of the Month, Hoop Shoot and the Soccer Shoot. This past year we had more than 20 youths take part in the Hoop Shoot from our Lodge. On the Soccer side, we took part in a MASS shoot that saw over 500 budding soccer stars compete at a combined Shoot in Scottsdale. Your charitable support this month will help us grow those two programs as well as the many others that comprise the BIG category of Youth Activities.

I would like to conclude this message by once again thanking each and every member of Mesa-Buckhorn Elks Lodge #2656 for making this a year full of remarkable events and great accomplishments, and leaving me with memories to last a lifetime.

Always remember ...

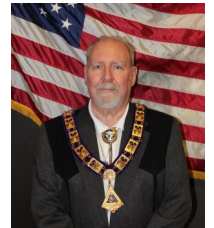

**We Are THE Elks!**

- May only allowed to sign in their spouse (no other guests)
- Cannot visit another Lodge or use another Lodge's facilities (campgrounds)

Also, when you propose a prospective member, please support them by attending their initiation.

## VETERAN'S CORNER

This last month we worked at Valor on 8<sup>th</sup> for our monthly work at the pantry handing out food, cleaning supplies, and hygiene items to the residents there. It is so rewarding when the residents tell you how much it means to them that we are there for them! We also had 5 more Welcome Home kits put together by Judy Fisher to give to veterans who are moving into their new homes. These kits help make an empty apartment into a home and helps the veteran save a lot of their money by not having to purchase pots and pans, dishes, silverware, bedding and more.

### Volunteer(s) of the Month

#### **Len Cassidy, PER**

**In addition to the many hours Len puts in working on the PER broasted chicken and BBQ ribs programs and working House Committee meals, he also spends many hours helping our Lodge to run smoothly. He orders the pull tabs for the machines, keeps the machines stocked and repairs the machines as needed. Also, on his own time, he comes into the Lodge every Monday, Wednesday and Friday to take out the banks for the morning bartender. He is also kind of a "mister-fix-it" for the many small jobs that need to be tended to, albeit, it usually involves duct tape. Next time you see Lenny, thank him for his service to the Lodge. If you know of a deserving member, you can nominate him/her for VOM by putting a note**

### Kitchen Hours

Thursday - 3:30 pm - 6:30 pm  
Friday - 11:30 am - 7:00 pm  
Saturday - 4:00 pm - 6:30 pm  
Sunday - 9:00 am - 11:30 am

In December we initiated 29 new members to our lodge. Our lodge continues to grow by the membership exemplifying and promoting Elkdome. Thank you for that! Welcome the new members. The Lodge only thrives if it's members are actively participating in the functions of the lodge. We are always in need of volunteers. If you are unsure of how to volunteer, please ask one of the lodge officers.

# **Veteran's Committee**

Greetings Everyone!

It is hard to believe it is March and the last month of our Elks year! The Veteran's Committee has been busy all year helping Veterans in our community and hopefully next year we will be doing even more!

This last month we worked at Valor on 8<sup>th</sup> for our monthly work at the pantry handing out food, cleaning supplies, and hygiene items to the residents there. It is so rewarding when the residents tell you how much it means to them that we are there for them! We also had 5 more Welcome Home kits put together by Judy Fisher to give to veterans who are moving into their new homes. These kits help make an empty apartment into a home and helps the veteran save a lot of their money by not having to purchase pots and pans, dishes, silverware, bedding and more.

We are also in talks with the Arizona National Guard to hopefully be able to send care packages to our local National Guardsmen who are deployed around the world. I don't have a lot of details yet but hope to have more information after our March 6<sup>th</sup> meeting, so stay tuned!

In the last year, we have used a \$1000.00 grant to help Ashley's Place, which is a women's transitional home. We also used a \$5000.00 grant for Valor on 8<sup>th</sup> to supply food, hygiene products and cleaning supplies to the veteran residents there. We found that we will have to up our grant requests for next year due to the need for food there! We have also used a \$2500.00 grant for the women's and babies' program at the VA Hospital. With an average of 25 babies being born at the VA hospital, these products help give the mom and baby a good start in life.

This is my last month as Chairman of this committee, but I will still be there helping the new leader and the rest of the committee! My thanks to Vickie Bass, Pat Taninies, Beverly McKay, Judy Fisher, and Dee Metz. (I hope I haven't missed anyone) You all have made my job so much easier, and I look forward to continuing to work with you all!

Continue to support our committee and our Veterans!

Thank you!

# **Queen of Hearts**

Hello My Fellow Elks,

The Queen of Hearts pot is starting to build up again! At this time we are just over \$10,000.00. As always the Queen of Hearts Committee is very thankful for your continued support, you are the true Hearts in all of this. Part of our team will be gone to Colorado, Tony is there supporting his Grandson during football season for a couple months. We wish him and his Grandsons team the best of luck! A huge thanks Derek and his House Committee, Bartenders, Albert and his Crew in the kitchen, and Dylan for keeping it all on track! Of coarse thanks to all the people who volunteer their time to make this the best Lodge in Arizona! Let me not forget the GREAT volunteers I work with: Kim K, Germaine, and Bert (as he fills in for Tony)! You're the best!

I Love and look forward to seeing and meeting all of you every week! You make it my Wednesday night fun!

Sincere Thanks

Jean Kidwell—Chair of Queen of Hearts

## **GRANTS FOR OUR LODGE!**

Thanks to the Elks National Foundation's Community Investments Program our lodge received 5 different grants this year. We are already using 3 of them to help Veterans.

We received the Freedom grant for \$1,000. This grant has been helping Ashley's place, which is a women's transitional shelter in Phoenix. We were able to get them curtains, curtain rods, food, meat, baby items, etc.

We also qualified for the Focus Grant again. Once again we are partnering with the Chandler Elks to supply food, cleaning supplies and hygiene items to Valor on 8<sup>th</sup>. This is a subsidized apartment complex helping veterans. Our grant is for \$5,000 this year.

We are using our Gratitude grant for the Women's and Baby program at the VA. With approximately 25 babies being born each month at the VA, mothers sign up to take classes to help get their babies off to a good start. The VA then gives each new mom a tub full of newborn baby supplies to help start their life. Our grant of \$2500 will help replenish those supplies for the VA.

Our Spotlight and Beacon grant will help 3 of our local schools this year. The Spotlight grant is worth \$2000 and the Beacon is worth \$4000. The Beacon can be split into 2 projects. Principals have been requested to send their request for projects up to \$2000 that their schools need. We will be choosing the schools in September that will win a grant.

The Elks National Foundation makes these grants possible with your help and donations. I hope you will consider making a donation today to continue helping our community in the future!

---
