### CHARITY, YOUTH, VETERANS, COMMUNITY—IT'S WHO WE ARE!

The Lodge has done a tremendous amount of charity work this year that I, as an Elk, am very proud of being a part. From providing coats and gloves to Golden area school students, to providing funds to the Redistribution Center that expanded its mission during this time to help families in need of food, to assisting kids of deceased Colorado National Guard members with school supplies, and donating funds to the Colorado National Guard to provide clothing and food to Guard families during the holidays. All of this wonderful charity work is possible due to the grants we receive through the Elks National Foundation.

However, my favorite Lodge charity is our annual food basket program for several reasons. Members come together and donate the amount of needed items to fill our food baskets. Watch for emails of the quantity and type of items we need—we won't have the number of families we will serve until af-

ter the deadline for the newsletter! I enjoy seeing our members come with toys to the McElhinney Friends & Family Event to provide to each child in a family that receives a food basket. And the finale! The Friday night (December 18th) potluck, toy wrapping, and basket stuffing of all of the wonderful donated food items from our Lodge members! Come join us for the camaraderie and the wonderful Charity work our Lodge is providing to members of our community!

As I've been putting plans together for our annual Elks Memorial, I have been recalling often my Elk family/friends who are no longer with me—either my friends have passed away or they have chosen to wander. I think of them often! I may not be able to speak with some, but I love catching up and calling my Elk family/friends that are wandering the States! I so enjoy the fellowship of my Elk brethren—I have so many friends throughout Colorado, and even in other States. I recall how I've met so many—by getting involved, going to other Lodges, and participating, I have developed some

true friendships!

I'd like to personally invite you to attend one of our several activities in December and January to enjoy the fellowship of your friends in the Golden Elks! See the calendar for all details and watch the weekly emails. Our Christmas Day Potluck is a great gathering—you will have time after to join family festivities! Saturday, December 26th will be our Monthly Lodge Dine-In/Take-Out Dinner and a White Elephant exchange! Plan on stopping by on New Year's Eve for a toast—this will be an early evening celebration which I am looking forward too!

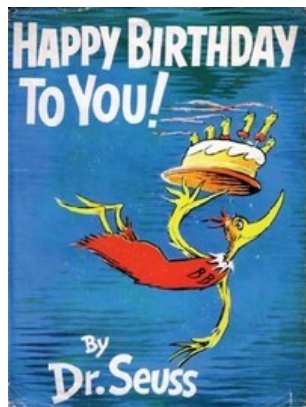

In January Bocce League will begin again so start putting your teams together now. Depending on how many sign up will depend on whether we have 2 or 4 person teams.

As January approaches we ask members to consider being part of the management side of the Lodge. I'd like to encourage each member to strongly consider being a leader of our Lodge—to provide direction and guidance. Elections will be held in February. Continued page 4...

## ELKS MEMORIAL DAY

The First Sunday in December of each year is commemorated to the memories of departed Members.

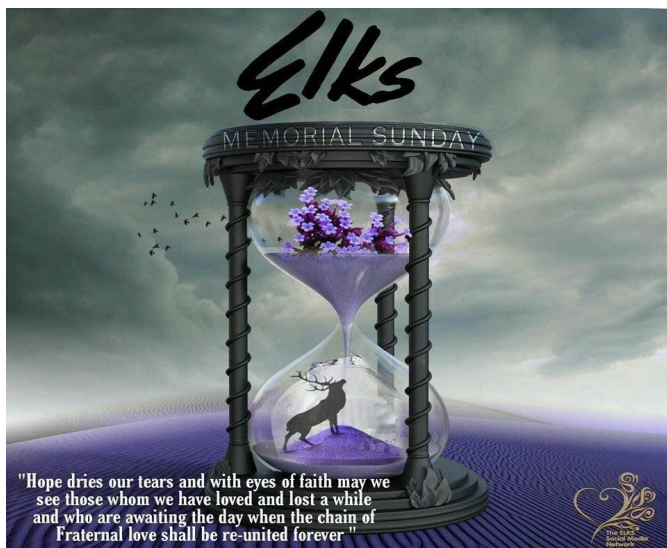

Members and friends, you are cordially invited to attend the Golden Elks' Memorial Service and help us share memories of our departed on

Sunday, December 6, 2020

11:00 A.M.

Light refreshments will follow the service

"Living or Dead Elks Are Never Forgotten, Never Forsaken."

ER Gina Frank with our newest members.

Van loaded with dictionaries and school supplies, delivered by members Arlene, Bob and Wayne.

We delivered about \$800 worth of materials to the elementary schools in Golden

With money from our ENF gratitude grant.

# Exalted Rulers message from page 1

In addition, Committee Chairs also need to be filled.

Finally, you still have time to participate in our Pampered Chef fundraiser to help support the Lodge. Orders must be placed by December 8th! This fundraising effort can provide an avenue for you to purchase holiday gifts and help the Lodge. See article later in newsletter with details on how to order! There is a brochure at the Lodge if you prefer looking at a paper version.

Please help me welcome our five newest members – Paul & Jeannie Queneau, Kelan Spindon, and Marvin & Janice Fleming. I look forward to getting to know each of them better and I welcome each to our Golden Elk Family.

Happy Holidays everyone—may you have a joyous, thankful season.

Our Weekly E-mails and our Facebook page (Golden Elks Lodge #2740) provide details on the happenings at the Lodge. If you don't currently receive the emails, please contact me or Byron, the Lodge Secretary.

**REMEMBER, if the sign is ON, we are OPEN!**

## **HALL RENTAL FOR MEMBERS!**

## Laradon CEA State Major Project by Gina Frank

### COLORADO ELKS ASSOCIATION (CEA) STATE MAJOR PROJECTS

This is the 2nd of 3 articles about the three CEA State Major Projects. The 2nd program is Laradon. In the next issue will be information about the Youth Camp.

#### Laradon's Mission

Laradon's Mission is to be an organization of excellence that provides superior, individualized services to children and adults with intellectual, developmental, and other disabilities, supporting their independence in daily life and maximizing their full potential.

#### Laradon's History

In 1948, at a time when the public school system denied an education to their two sons because they were

"mentally retarded," Joseph and Elizabeth Calabrese invested their life savings into the creation of a very special school-Laradon. Named after their two sons, Larry and Don, Laradon was the first charitable organization in the Rocky Mountain region to offer support, education, and training to children with developmental disabilities.

Laradon quickly gained national recognition and referrals increased dramatically, need for a new school was realized. The Colorado Elks were a driving force in securing the current facility at 5100 Lincoln Street in northwest Denver.

In partnership with parents, professionals, philanthropic organizations and generous community members, Joseph and Elizabeth Calabrese created a training

center for people seeking the opportunity to expand their work skills, a school for children with special needs and housing for people in need of a home. The Calabrese's knew that when provided with the proper education, training and support, people with disabilities could realize their full potential, contribute to the community and become valued members of society.

Laradon is a top resource for school districts today and families looking for individual interventions for school age children. The ratio at the school is about 1:3 teacher to student with some clients receiving one on one. Today the Colorado Elks play a major role by donating school supplies and by funding special programs which are not covered by state funding.

The Golden Elks usually sponsor an annual dinner with proceeds benefiting Laradon. In addition, Wayne Rogers currently is a member of the Laradon Foundation Board. Our members donate school supplies and donate items for the annual Laradon Silent Auction normally held at the Colorado Elks Spring Quarterly meeting.

If you would like more information about Laradon's history, read Garden of Hope: Laradon Hall, of which we have a copy at the Lodge if you would like to borrow.

## Trivia Contest by Melissa Moss

### Elks Trivia Contest

Submit answers to [events.golden2740@gmail.com](mailto:events.golden2740@gmail.com) Correct answers will be entered into a drawing! I understand no one submitted last time so chances are if you enter you have a great chance to win.

1. The Elks National headquarters building was originally built as a memorial for Elk brothers lost in which war?
2. What is the means of Identification for all Elks?
3. Which symbol represents the station of the Esteemed Lecturing Knight?
4. Name an item given to all new Elks upon initiation.
5. The voting sign is made by uplifting which hand?

Correct answers will be published in the next newsletter.

### Leading Knight Jeanette Rogers:

"2020 will go down in history for many things. Some of us may have found our niche, some may have loved and some of us may have also lost but 2020 came to also remind us why we should always show love and appreciation to the people around us while we still have the chance."

— Hopal Green

"for all the talk of 2020 vision over the past few years, it turns out we had some pretty significant cataracts"

— Alex Hagan, What The Hell Do We Do Now?: An enterprise guide to COVID-19 and beyond

2020 has definitely been a year to remember. While we've all had to comply with the many restrictions, changed many habits over the last 9 months, and had to learn new ways of doing many things. We've all built new skills – (I wish I would have had stock in Zoom), think different on how to achieve our goals – the Dictionary Program and the Warm Welcome programs were very different from previous years, but we still made a positive impact on kids. And we are learning how to create community and social interaction in a dif-

ferent way – answering the important question – how can we have fun?

So we have a couple events, that I hope we can have with the increase in COVID numbers again, coming up in December. First: the weekend after Christmas, we will be having a White Elephant event. If you have never been to a White Elephant party, you won't want to miss it! We are asking each attendee to bring a wrapped gift that doesn't cost more than \$20 – and we will proceed to have a to have great time handing them out during the game. There is a strategy to going home with the gift you want. Second: we want to send off 2020 to the history books with our New Years Eve Event – we will be doing an "Early Ball Drop" – which I expect will be pretty early in the evening, so if you have somewhere else to go and/or want to watch the ball drop in New York – you will be able to. Part of the evening's festivities, we are hoping to be able to have a fire ceremony (if the fire ban has been downgraded), and if you wish to end the year by burning your 2020 calendar, some paper masks, and other 2020 memorabilia (toilet paper rolls, paper towel rolls, etc.) for a donation that we will invest back into our lodge to help start 2021 with a fresh

start. The fire event will be outside of course – so we should be able to share a well deserved send off to memorable year.

The end of the year also brings the need to discuss our next lodge year – we are looking for individuals that would like to be involved, help drive the decisions of our lodge, and make a difference for our community. If you are interested in either an officer position, or committee chair, or just willing to serve on a committee, please let me know.

2021 will be another interesting year, I am sure – I hope it brings an end to some of the restrictions, allows us to be with our friends and family more (how much we have missed them), and hopefully, some of the "old normal" will be able to come back. I wish you and your family the best and safest of holiday seasons.

## Lodge Activities by Kirk Sales

Oct. 1, 2020 ER Gina Frank and Esquire Wayne Rogers went to Golden High School to meet with the principal and donated 2 \$500 checks to be used for Need for Clean-a group on campus that provides for housing challenged students. They provide showers, money for laundromats, bus passes and drinks and snacks during the school days. Hopefully this will help them stay in school to graduate. Second check was to Sources of Strength, a campus group trained to recognize and intervene with other students who may be showing signs of depression or thoughts of suicide.

Oct. 3rd we had a chili cookoff with 9 contestants hosted by Dan & Melissa Moss. Also had a visitation from State Presi-

dent Al Lenort and his wife Kim. Also visiting was 3rd VP Geff McDaniel and his wife Ellen. Had some great chili's and there were prizes for 1st, 2nd and 3rd places.

Oct. 4 we had a very successful Paint and Sip which was attended by 32 people.

Oct. 10th was a 1st Responders breakfast and this one had 27 attendees from Fairmount Fire, Colorado State Patrol, Jeffco Sheriff's, and several EMTs.

Oct. 12th Arlene Munyon and Bob Munyon delivered dictionaries to Coal Creek Canyon Elementary and Wayne Rogers delivered them to 4 other schools for all the 3rd graders. We all

dropped off school supplies for them also.

Oct. 18th Gina and her sister taught about 8 of us to make pierogi's and then we had dinner with roasted pork and pierogi's.

Oct. 25th we hosted the CNW District workshop via zoom as Wayne is the President of the group this year.

Nov. 14th we had our Veterans dinner and Dan Moss hosted as he is our Veterans chairman and after a great dinner he had a short film on the history of Veterans Day.

At our Lodge meeting ER Gina had all Veterans in attendance to please rise and state what branch of the service they served in. We had 4 Veterans in attendance and by chance

we represented the Navy, Army, Air Force and Marines. Wayne gave a brief presentation on Veterans Day.

As you can see we have a lot going on still while staying safe and complying with the Covid 19 health guidelines. If you feel safe in small group settings come down for awhile, we have mask, hand sanitizer and we disinfect after every event. Does the soul good to get with friends every so often. If you get tired of cooking all our meals can be to go also, just let us know ahead of time and we will package up your order and have it ready for you to come in and pick up or we will bring to your car.

## Upcoming Events by House Committee

First 2 Fridays in Dec. we are going to try fresh made pizza to go or eat in. Will be 2 or 3 sizes and 2 or 3 options and of course different price points. You will receive this before the first week of Dec. so let me know what kind of toppings and size pizza you like to order. We are going to get some pizza boxes to put them in. Give me some ideas at [waynerog-ers51@msn.com](mailto:waynerog-ers51@msn.com).

Pearl Harbor dinner and documentary on Dec. 5th.

Dec. 6th is our Elks Memorial Service at 10 am

with some refreshments afterwards. This is to remember all our departed members and is open to all family and friends who wish to be there.

Dec. 12th 1st responders breakfast from 8 to 11 am.

Come down and visit with them and enjoy some breakfast.

Dec. 18th we have our potluck and put together the food baskets and wrap gifts and on the 19th they get picked up and some usually need to be delivered also. If you wish to help just contact any of the officers to get times and discuss how you want to

get involved.

On Christmas if covid 19 allows we will do our annual Christmas potluck with the Lodge providing the ham and or turkey and everyone else bringing a dish. We found years ago many of our members don't have a big family to share the Holidays with so we decided we could be each others family. We don't share gifts or anything just a meal and some conversation. If you would like to join us you are always welcome and if you don't have a dish to share come anyway we always have plenty to eat. Invite someone to come

with you if you want even if they are not Elks. We start at noon and it's free unless you want something from the bar, but we have water and coffee also.

Dec. 26th having a dinner and a White Elephant starting at 6pm. Plan to attend as it should be a good time.

New Year's Eve they have a dinner and an early drop of the ball Queen of Hearts and Poker with a 2020 burning of mask, toilet paper rolls, as a get out of here to 2020 so bring some stuff you want to see gone from 2020.
