

# THE ELKETIN

## Mike Schaaf Past Exalted Ruler

As the 2019-2020 Elk Year ends, I would like to announce the new Exalted Ruler: Russ Kesler PER.

Thank you to all who have supported me during the past year. I truly appreciate it. Kudos to Mary Gouveia for editing and producing the Elketin for the past 12 years! I appreciate all the support and wish to thank all of you who helped to make the year as good as it has been. There are so many who contributed to the year's success. If I haven't thanked and acknowledged you in the bulletin, I apologize.

I would also like to personally thank everyone for your Purple Pig / CHEA contributions during the past year. I would also like to sincerely thank all who have generously given their time, support and assistance to our various lodge sponsored events.

Please support the new Lodge Officers who will be supporting you and the Lodge for the 2020-2021 Elk Year. There is still work to be done to make the success of the Lodge continue in the upcoming year. Once they start again, plan to attend some of the many lodge meetings: Trustee, House and Lodge meetings. The schedules are on the calendar attached. The issues impact the success of our lodge. Recently, of note, the outside (rear) deck Phase I was recently taken to the Floor and funding was passed. Look for work to begin cleaning up the rear area soon under this first phase of work dependent upon the weather. Should anyone have questions or a proposal for a permanent plan, please let the ER or one of our Lodge Officers know.

Once we start up again, we have many open spots for our dinners. We truly need help with Margarita Monday, Pasta Night, Friday Night Dinners and at our initiation Lodge meetings on a regular basis. We need assistance with not only the cooking, prep and arrangements, but also with the cleanup afterwards!! Please contact the office

New members and activity(s) help is always needed and is greatly appreciated, so please invite your family and friends to join us!

## Elk Lodge Status Update

Please check your email for daily updates for the Lodge.

***The lodge will be closed until April 7, 2020. As information is received, this may change. All non-essential activity(s) will either be cancelled or postponed.***

The office will remain open for **office staff only**, Tuesday thru Friday from 9am until 1pm. Please **DO NOT** come to the office, *call if you have any questions!*

The leadership of the 1811 Lodge appreciates your understanding of this unprecedented situation. These were not easy choices to make. Please know we have only your health, well-being and best interest at heart.

## Russ Kesler, PER

### Exalted Ruler

Twenty years ago, with great glee, I celebrated not having to write my monthly Elketin article. In the immortal words of Yogi Berra, it feels like déjà vu all over again. In other words, Never say Never!

Please join me in thanking PER Mike Schaaf and his First Lady Sheri for their amazing year of presiding over the Lodge. Many thanks to the Chair Officers and the committee chairs for their dedication and hard work. Without the hard work of all our members, no year would be successful. .

Starting the year in the midst of Covid 19 pandemic has meant the postponement of upcoming events pending notice. As of press time, we have changed the Installation to the next best available date in May. Look for notices via email and in May's Elketin for the exact date. We ask for your patience and understanding.

During the upcoming year, I would like to have at least one event per month as a Lodge activity. We look forward to hearing your suggestions. Please let any of the officers know of your ideas. Thirsty Thursday's would be a great time to catch me ~ I am usually out on the back patio enjoying our good weather.

For the first time ever, Walnut Creek has voted in a repeat Exalted Rule. While I appreciate your vote of confidence, as an organization, we need new blood to fill the Chairs. This will enable growth and prosperity. What worked twenty years ago, won't work now. Communication is key! Please call me with your ideas and suggestions. My number is (510) 845-0500. Leave a voicemail ~ it is tied in with my Outlook software so I will get your message in two ways and, as an added bonus, a big red light flashes on my phone.

In closing, please come out and enjoy all the opportunities our Lodge has to offer. Keep updated as to when we reopen. Review the calendar for events. As an officer Corp, we want to make the Lodge a place we can all be proud to support and show how our members support our community. Our lodge's survival depends on it.

Fraternally,

[cdat4gray@yahoo.com](mailto:cdat4gray@yahoo.com)

As you have noticed, there is a new look to the newsletter. Mary, the previous editor did a wonderful job. Since, there is not an apple version of her program, I needed to use something else. So, as I transition into this position, there will be a new look to the newsletter. Please bear with me as I adjust to see what works best. If you have an article for the newsletter, below is the deadline. Please send it via email. If you have questions, please email me.

We have many members who are supporting our lodge. In each edition, I hope to include a mini profile of a member so that we can learn a little about each other. If you have a suggestion, please contact me.

As this Covid-19 crisis continues, we will try to keep the information current for our members, but as the newsletter comes out once a month, your best source will be the emails. Please use this as reference. Check to see what has changed as all the dates for scheduled events are most likely going to be adjusted.

Unfortunately, due to the current Covid 19 situation, Burger Night is postponed until further notice. We hope to open sometime in April. The Lodge will continue to reevaluate the

situation. Keep an eye out for email updates to our status.

In the meantime, I would like to spotlight Thirsty Thursday's. It was inspired by Judy and Greg Hunter to encourage members to come to the lodge on what was a slow night. Now, it has now become a fun evening that is enjoyed by many. It is an opportunity to enjoy conversation among friends, old and new. We have used the funds to make improvements in the lodge, such as the purchase of the new bar stools a couple years ago. Once restrictions have been lifted, we will continue on.

We have amazing volunteer BBQ masters and assistants that make this weekly event a success. Thank you to: Gary Buffo and Kimberly Everett, Mike Rittenhouse and Whitney Quin, and Travis and Laura Ervin who take turns with us at the BBQ. Thank you to Kelly Barnett, for her help and to the Elk's amazing bartenders (Lisa, Angela) on Burger Night. I would also like to mention our predecessor, Rosie Simoncini, who through her efforts increased much of the growth that we enjoy today. If you would like to volunteer to help, it is always appreciated. Just contact us.

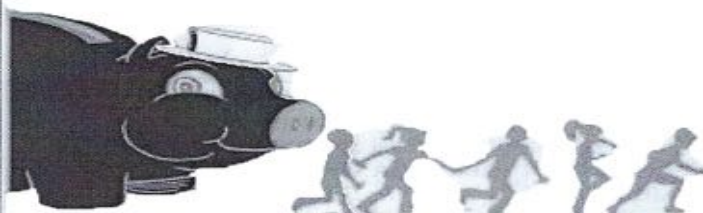

While we bar-b-que the burgers, links and hotdogs, the sides are potluck. Please consider bringing a dish small or large to share. We could really use your help. It makes the meal and evening more enjoyable.
