COLUMBUS/GROVE CITY ELKS LODGE #37

April 2021

ER Message

To Fellow Lodge #37 Elks

Lodge year 2021/2022 is upon us. Thank you for trusting me to be your Exalted Ruler.

First of all, I would like to thank Phil McElfresh for his leadership during a very difficult year along with those that assisted him in all tough decisions.

This year hopefully will bring more and more of our members back into the building. Be assured all is being done to provide a safe environment. If you come in and see something that has been overlooked, please let me know.

My focus this year will be "volunteerism". Elks Care, Elks Share. Our Lodges bring more to our community than just our building. Elks invest in communities. Opportunities will be made available for all to participate in activities in our community. Be ready to step up and show what true "volunteerism" is all about to our community. If anyone has a suggestion, please do not hesitate to reach out to me.

Do you like to plan parties? Looking for an individual or individuals who would like to plan various parties/social activities for fellow lodge members and their guests. If this is you, let's get going and have lots of fun.

I am very easy to get a hold of. My cell #: 614-264-3378. My email: SLNursing2007@gmail.com

What the Elks are all about...

Soccer is the nation's fastest growing sport today. The Elks Soccer Shoot Out program is for all children ages 7-13. In Ohio alone we had over 30,000 girls and boys participate in this program each year and the number keeps growing each season. Columbus/Grove City Elks #37 has not participated in the last few years due to not having a chairperson. Can you step up and take the lead?

Cerebral Palsy major charity of Elks Ohio.

Cerebral Palsy (CP) describes a group of permanent disorders of the development of movement and posture, causing activity limitations, attributed to non-progressive disturbances that occurred in the developing fetal or infant brain. The motor disorders of cerebral palsy are often accompanied by disturbances of sensation, perception, cognition, communication and behavior, epilepsy, and by secondary musculoskeletal problems.

ENF (Elks National Foundation) Minute

Our Mission

The mission of the ENF is to help Elks build stronger communities. We fulfill this pledge by investing in communities where Elks live and work. We help youth develop lifelong skills, send students to college, meet the needs of today's veterans, support the charitable work of the state Elks associations, and fund projects that improve the quality of life in local Elks communities.

Our Impact

Since inception, the ENF has contributed more than \$500 million toward Elks charitable projects nationwide. Our programs continue to grow each year, allowing Elks to do even more to build stronger communities. Click here for details on all ENF programs.

This year, the ENF allocated \$14.6 million to fund the Community Investments Program, investing in Elks communities through grants for Elks Lodges. Community Investments Program grants offer your Lodge an opportunity to serve your community in ways that will raise the Lodge's profile, energize the membership, encourage former members to return to the fold, and gain the notice of people who want to be part of an organization that's doing great things.

Dear Elks Lodge,

Thank you for your generous donation to fill the truck for Texas. I was able to purchase and donate diapers and baby formula with the funds you provided. I will pick them up tomorrow and deliver to 5Aces.

Please let me know if you have any questions or concerns.

We really appreciate your support!!

Sincerely, Karen Robinson
