April 2021 Edition

Office Hours: M-F: 9am - 1PM

Looking back a year to Russ's first article, it boggles the mind how unaware we were that this pandemic would so dominate our lives for so long. His words are just as applicable to the present as they were 12 months ago:

"Walnut Creek 1811 will reopen for business when local officials, and Lodge Officers determine it is prudent for members to gather again. There will be new procedures in place set by Lodge Officers and local officials for the safety of all... Life as we knew it, will change. But how much, who knows. We will reopen for business. One just needs to roll with the punches!"

I echo that statement with no qualifications. Nothing seems to have changed on that front. I guess we know more and have a better idea about what needs to happen to open up, but that's about it.

The pandemic, however, has not dampened my optimism for the year ahead! I can't wait to get started planning events for when we do finally come back to full – if slightly modified – operations. The optimism of the Roaring 20's is what I would like our Lodge to embody for the next 12 months as we bring ourselves out of the pandemic and back into actually having a society. We have big plans for the year – bringing back our beloved events and expanding our membership to include many more of our friends and neighbors.

March saw a couple of great events including the PER Association's "Drive-through Corned Beef & Cabbage Dinner"

converted to an actual sit-down event at 25% capacity. Then we had a great steak dinner that Saturday with over 60 people signed up even though it had to be postponed from earlier in the month.

At the time of printing we were looking forward to another great event – the installation of myself and the rest of our 2021-2022 corps of officers. As you're reading this, hopefully you have memories of a 'roaring' good time! The theme of that event is 1920's and its apropos for this upcoming year.

Later this month we have begun planning a Mother's day tea and soon some more events. Thirsty Thursday will be back to its normal days and times as of April 8th and soon after Pasta and Taco Nights will be returning. Keep watching your email inbox.

I am very proud of the fact that you have entrusted me to lead us into these new 20's. There's lots to do. We have great volunteers doing the work now, but I hope that as we move forward existing and new members alike can experience the rewards and fun that comes with helping make our Lodge great. See you soon!

Newsletter- New Format: For a variety of reasons (mainly to do with issues of updated software) we have a new format. Please bear with us as we fine tune the changes. I review other Lodge's newsletters for ideas. One, difference, I have noticed is the calendar. Many only include the current month. We will try this out. If need be, we will add the 2nd month as more events become scheduled.

Congratulations to Travis Ervin, our new ER for 2021-2022. In the upcoming new year, you will see more information from a variety of sources. Please, please monitor your emails for the latest

information. Weekly News is emailed Sunday nights. It has the latest updates for the upcoming week. The newsletter is produced monthly on the first of the month. As mentioned in the last Elketin, costs are rising for producing and mailing the paper Elketin. We will continue to fine tune and work how to minimize these costs such as only sending one copy per address and encouraging the email option. We will keep you posted. Thank you for your patience.

Any ideas? Suggestions? Please send them to me.

This is one final P.S. I would be remiss not to thank all the volunteers who assisted during a COVID impaired year. Although 90% of my plans went with the way of the Dodo Bird, we did have a successful Burger Night program. Thanks to the Grays for all their efforts. Additional, thank-you's go to the Editor, Cindy Gray for getting the Elketin and all the constant contact emails out in a timely fashion.

The dinner we had to honor Elk of the Year, Doug Fountain was exceptional. The food was prepared to perfection and a good time was had by all. Thanks to Kimberly Everett and Grill Master Gary Buffo with Whitney Quinn. The assistance from Gary's close friend Scotty, and Whitney's able assistants Blake and Evan helped the evening success. Decorations and table set up were handled by Facility Manager Kelly Barnett and Kimberley Morris with assistance from Mike Rittenhouse. Since my wife Sue is no longer here to tell me who I forgot to mention, I will end with: Thank You for an interesting year.

Fraternally,
 Russ Kesler P.E.R.

From Judy's Desk:

Well, we have made it through a very long and trying year. Hopefully, soon we'll start seeing that light at the end of the tunnel we keep hearing about. It has really been nice to see people at the lodge again. I want to thank those of you who have sent in your dues and give a reminder to those who haven't. They are due as of April 1st. Please contact me at 925-935-1811 or email: BPOE1811@gmail.com if you have any questions.

Stay safe and be kind to one another!
