Elk's First Fish Fry of the Season

Wow - our first ever drive-thru fish fry was a huge success!!!!

Just as many businesses have done, we have had to think outside of the box and reinvent our "famous" fish fry dinners due to COVID. We spent so much time planning each step of the process, from prepping and cooking to delivery, to ensure that flow was smooth and efficient to keep the traffic moving as fast as possible through our parking lot. Our hard work paid off and the whole crew could not be happier with how it turned out! We tried, we learned, and we have only a few minor tweaks to make it even better.

The Fish Crew would like to thank our customers for the following:

Having correct change!

Purchasing multiple family dinners per car.

And the fun surprise we had of how many people brought their pets to enjoy the drive-thru too! Wow! (Bow wow!)

Members of our crew really enjoyed that they had an opportunity to spend time talking with our customers as they moved through the line.

Our next fish dinner will be October 2nd. Mark your calendars now so you don't miss it!

Here are just a few of the comments we received back (that same night!) from the people who came out to sample "The Best Fish Fry Downriver":

🐟 Great job all! The line was long but I was in and out in 15 minutes. Food was great.

🐟 My shrimp dinner was AMAZING! Thank you so much!!

🐟 Went today and got the cod. Best deal in town and didn't even have to leave the car!

🐟 Fast line, great prices, wonderful meals! Thanks FR Elks!!

🐟 The food was great!

🐟 I had a 40 minute drive home. I kept the lid closed and the food was NOT soggy, and still warm! I couldn't help myself, the food was so good I devoured the whole thing when I got home!

The next Elk's Drive-Thru Fish Fry October 2nd

A FRONTLINE THANK YOU

I would like to thank all of you who gave to Henry Ford Wyandotte night shift frontline heroes. Your generous donations help feed hospital workers on the night shift during a very difficult time. What we thought was simply a kind gesture was much more. The meals you helped purchase brought a little normalcy to a chaotic life during the Covid pandemic.

Thanks again for your generosity.

Brian Marvaso

A word from your Veteran's Committee:

On Aug. 22, 2020 we held our annual Veteran's Golf Outing at Wesburn Golf Course. We had 120 golfers, and 15 volunteers, a good day was had by all. With the free food and drinks everyone was kept in great spirits for this fundraiser. The weather was perfect, the course was in great shape, and everyone was very generous. After all the receipts were added and the expenses deducted, I am proud to announce that the outing brought in \$5,490.63 to be used for Veteran activities for the lodge. A huge Thank You to everyone that golfed and to all the volunteers and donors that made this a huge success. With the current situation in the country today, we will be taking a close look as to what events for Veterans will be taking place in the near future. Stay tuned for info on the Thanksgiving Dinner and the Veteran's Day Flag Retirement Ceremony.

Again, Thank You
